PART 2 - General Terms and Conditions SECTION 1 - Definitions and Abbreviations 2nd Revised Sheet 1 Cancels 1st Revised Sheet 1

## **DEFINITIONS**

### **Access**

The provision of access to a local exchange network for the purpose of enabling a provider to originate or terminate telecommunications service within the exchange.

## Access Line

The medium over which a telecommunication user connects into the local exchange.

## Anchor and Down Guy

An Anchor is a device placed in the ground to which the Down Guy is attached for support of the pole, strand and cable being placed. A Down Guy is the strand placed between the pole and the anchor.

PART 2 - General Terms and Conditions SECTION 1 - Definitions and Abbreviations 1st Revised Sheet 2 Cancels Original Sheet 2

## **DEFINITIONS**

## Central Control Point

When it can be determined by the usage or the nature of the service that one of the customer's locations is the principal focal point (or control point) for transmitting to or receiving from other service points such location shall be established as the Central Control Point. In other cases where such a focal point cannot be determined the Central Control Point shall be established at one of the service points by mutual agreement with the customer.

/1/

/1/

## Channel

The term "Channel" designates the electrical path provided by the Telephone Company between two or more stations.

PART 2 - General Terms and Conditions SECTION 1 - Definitions and Abbreviations 2nd Revised Sheet 3 Cancels 1st Revised Sheet 3

### **DEFINITIONS**

#### Contract

The service agreement between a customer and the Company under which facilities for communication between specified locations, for designated periods, and for the use of the customer and the authorized users specifically named in the contract are furnished in accordance with the provisions of the applicable Tariffs.

### Customer

The person, firm, or corporation who contracts with the Company and is responsible for payment of charges and the compliance with the rules and regulations of the Company.

#### **Customer Premises**

One building or portion of a building occupied by a customer either in the conduct of his business or as a residence. All offices occupied by a customer on the same or separate floor of one building or different buildings on the same continuous property are considered as part of the customer premises.

When regular exchange service or Centrex service is furnished in a communal type dwelling such as a dormitory, hotel boarding house or apartment, the term "Customer's Premises" refers to the room, apartment or suite of rooms occupied by the user. Under the same conditions, "Customer's Premises" for the management of such a dwelling would include all the other space not occupied by a tenant, e.g., halls, administrative offices, etc.
