Dear Director:

This tariff e-filing is sent to you for issuance and filing, as authorized in the following Commission Order:

Case No. U-10064, Order dated December 22, 1992

Tariff F.C.C. No. 2

Number of Sheets

3

With this filing, F.C.C. Transmittal No. 1814, effective **October 2, 2014**, Ameritech is proposing to correct material to reflect that four wire centers in the Grand Rapids, MI MSA have Phase II, Full Relief.

The Grand Rapids, MI MSA received Phase II, Full Relief pricing flexibility in FCC Public Notice CCB/CPD, File No. 01-32, DA 02-823 released April 11, 2002. Transmittal No. 1306 was subsequently filed and became effective June 18, 2002, which placed Grand Rapids, MI, with its associated wire centers, in Section 21 of Tariff FCC No. 2 as having Phase II, Full Relief. Likewise, NECA Tariff FCC No. 4 was updated, and currently still reflects that wire centers for the Grand Rapids, MI MSA have Phase II, Full Relief.

Inadvertently, under Transmittal No. 1623, which became effective June 14, 2007, wire centers ADA-MIMN, ALTOMIMN, BYCTMIMN and CDSPMIMN were removed from the list of wire centers for Grand Rapids, MI, having Phase II, Full Relief in Section 21 of Tariff FCC No. 2. This filing proposes to correct material to reflect that these wire centers have Phase II, Full Relief.

As an acknowledgment that this filing has been received, we request the return of the letter stamped by the Commission, to me at the above address.

Sincerely,

Enclosures
