Tariff F.C.C. No. 2

With this filing, F.C.C. Transmittal No. 1827, effective **April 21, 2015**, Ameritech is proposing changes to Directory Assistance (DA) service which will provide that Ameritech handle DA service requests using automated DA. Verbiage is being changed to reflect that DA requests are now handled by automated operators instead of by live operators. The customer will not be assessed a call charge to the automated operator if the automated operator is unable to provide the requested telephone number(s).

Additionally, a maximum of three requests for telephone numbers will be accepted per call to the DA operator instead of the maximum number of two allowed today.

As an acknowledgment that this filing has been received, we request the return of the letter stamped by the Commission, to me at the above address.

Sincerely,
