RULES AND REGULATIONS APPLYING TO ALL CUSTOMERS' CONTRACTS

A. General

The regulations specified herein are in addition to the regulations contained in other sections of this Guidebook. Failure on the part of customers to observe these rules and regulations of the Company automatically gives the Company the right to cancel the contract and discontinue the furnishing of service.

The Company's obligation to furnish service or to continue to furnish service is dependent on its ability to obtain, retain and maintain suitable rights and facilities, and to provide for the installation of those facilities required incident to the furnishing and maintenance of that service.

The Company may discontinue certain services in geographic areas for which the Company has no customers subscribing to those services. (C)

In addition, and subject to the appropriate regulatory approvals, the Company may grandfather or discontinue all services governed by this Guidebook in certain geographic areas at its discretion. (C)
Once grandfathered, such services will no longer be available for purchase and existing customers will no longer be able to move, add or change their existing service. ¹ (C)

The regulations covering the connection of equipment, accessories or facilities provided and maintained by the customer are contained in other sections of this Guidebook.

B. Application for Service

Applications for service, or requests from customers for additional service, and changes in the grade or class of service become contracts when received by the Company and are subject to the minimum contract term. The Company reserves the right to require application for service to be made in writing on forms supplied by it.

The terms and conditions of all contracts are subject to the rules and regulations in this Guidebook for the particular exchange for which service is to be furnished. Any general change in rates, rules or regulations shall act as a modification of the contract to that extent without further notice except that in case rates are increased, the customer may cancel his contract upon reasonable written notice and upon payment for all service, equipment and any contractual liability.

Unless otherwise specified, the minimum term for which service will be furnished is one month.

The Company reserves the right to refuse service to any applicant or former customer who is found to be indebted to the Company for prior service. The Company will not establish any new service until satisfactory arrangements have been made for the payment of all such indebtedness.

(1) Effective on or after December 31, 2023 (as permitted by the FCC), neither new nor existing customers will be permitted to purchase services in certain geographic areas. (N)
