- C. The following rates and charges are for a TeleBranch 12 Month Offer:

This offer provides eligible business customers who subscribe to Local Telebranch service a \$5.00 monthly rate for Telebranch for the first 12 months. In addition, eligible customers will receive a waiver of the nonrecurring charges to add Local Telebranch service. The monthly rate will be discounted for each local path and for each additional paths for Local Telebranch only, excluding 800 Service Lines. Usage charges will be applicable as tariffed.

Eligible customers are as follows:

- Business customers who have their exchange access service with another carrier and who now establish their exchange access service with the Company.
- Customers must retain Telebranch for 12 consecutive billing cycles, in order to receive the full benefit of this offer.
- Any customer who discontinues Telebranch prior to the required 12 billing cycles, will forfeit any remaining credits.
- To qualify for this offer the CFN number of the Telebranch service must terminate to a Company business access line.

Subscribers may have a maximum of ten (10) Local Telebranch paths (initial/additional) per billing account participating in this discounted service, and each Local Telebranch path must be located in the same state where qualifying exchange access service from another carrier is established. Subscribers must order Local Telebranch service within 30 days of establishing the qualifying exchange access service from another carrier in order to be eligible for the discounted service.
