**RESTORATION OF SERVICE**

**16.1 RESTORATION OF SUSPENDED SERVICE**

16.1.1 The following Service and Equipment Charge will apply for restoring service after its temporary suspension by the Telephone Company, as covered in Section 22 of this Tariff:

	Current Charge	
	Residence	Business
Service and Equipment Charge	\$35.00 (CR)	\$25.00

In addition to the Service and Equipment Charge, the customer will be required to pay all charges due, including the charges for the period of denial.

16.1.2 This Service and Equipment Charge applies only after the suspension of service and not after its discontinuance; that is, it does not apply after the completion of a disconnection order. After service is discontinued by the completion of a disconnection order, service can be restored only upon the execution of a new contract, in which case the Service and Equipment Charges as specified in the Local Exchange Tariff for a new installation, will apply.
