E11. SPECIAL FACILITIES ROUTING OF ACCESS SERVICES

E11.1 Description of Special Facilities Routing of Access Services

E11.1.1 General

- A.** The services provided under this Tariff are provided over such routes and facilities as the Company may elect. Special Facilities Routing is involved, when, in order to comply with requirements specified by the customer, the Company provides BellSouth SWA Service and Special Access (a.k.a. BellSouth SPA) Service in a manner which includes one or more of the following conditions:
1. Diversity
Where two or more services must be provided over not more than two different physical routes.
 2. Avoidance
Where a service must be provided on a route which avoids specified geographical locations.
 3. Cable-Only Facilities
Certain Voice Grade services are provided on Cable-Only Facilities to meet the particular needs of a customer. Service is provided subject to the availability of cable-only facilities. In the event of service failure, restoration will be made through the use of any available facilities as selected by the Company.
- B.** Avoidance and Diversity are available on BellSouth SWA service as set forth in Section E6. preceding. Cable-Only Facilities are available for BellSouth SWA Service as set forth in Section E6. preceding. (C)
- C.** In order to avoid the compromise of special routing information, the Company will provide the required routing information for each specially routed service to only the ordering customer. If requested by the customer, this information will be provided when service is installed and prior to any subsequent changes in routing. (C)
- D.** The offering of Special Facilities Routing of Access Service contemplates the use of existing facilities. Should facilities not be available, it may be necessary to construct such facilities either as 1) normal or 2) Special Construction. If Special Construction is involved, the regulations, as set in Section E14. of this Tariff apply.

E11.1.2 Application of Rates and Charges

- A.** For each service provided in accordance with E11.1.1 preceding, the rates and charges will be developed on an individual case basis. The rates and charges for Special Facilities Routing of Access Service are as follows:
1. Diversity
 2. Avoidance
 3. Diversity and Avoidance Combined
For each service provided in accordance 1. and 2. preceding, combined, the rates and charges will be developed on an individual case basis.
 4. Cable-Only Facilities
