A9. FOREIGN EXCHANGE SERVICE AND FOREIGN CENTRAL OFFICE SERVICE

A9.2 Foreign Central Office Service

A9.2.1 General

- A. Foreign Central Office Service is exchange service furnished to a subscriber in a multi-office exchange from a central office other than the one from which service would normally be furnished.
- B. Foreign Central Office Service is offered in connection with Individual Line Main Station Service, PBX Service and Centrex or ESSX-1 Service only.
- C. Other services, equipment or facilities used in connection with Foreign Central Office Service, except as otherwise indicated in this Guidebook, are furnished subject to the rates and regulations applying in the foreign central office from which the subscriber is served.
- D. Alternate routing of this service may be provided on a direct serve basis to the subscriber's premises from the requested foreign central office on an individual case basis as specified in Section A5, subject to the following conditions:
 - 1. The subscriber must maintain a minimum of fifty percent of the trunks/lines from the central office from which service would normally be furnished.
 - 2. Rates and charges for all components of the service will continue to apply as specified in A9.2.2.A. and B., with the exception of those applicable for Type 2145 channel(s). The monthly rate for the class of service desired will be based on the rates applicable from the foreign central office, but will be no less than the rates for that service from the subscriber's normal serving wire center. Additionally, rates and charges as specified in A5 will apply on an individual case basis.

A9.2.2 Rates And Charges

- A. **Methods Of Applying Rates**
The rate for Foreign Central Office Service is the monthly rate for the class of service desired, plus a foreign central office mileage charge as shown in A9.2.2.B for the distance, airline measurement, between the central office from which the subscriber would normally be served and the foreign central office (i.e., the central office from which the subscriber desires to be served).
- B. The service charges for connections, move or change of service specified in Section A4. apply in addition to the installation charge.
 - 1. Type 2145
 - a. Interoffice Channel including the Channel Terminals
 - (1) Per Channel

	Installation Charge	Monthly Rate	USOC	
(a) First 1/4 mile	\$81.00	\$35.00	1LX4R	(1)
(b) Each additional 1/4 mile or fraction thereof	-	.45	1LX4X

A12.8 Identified-Outward Dialing (IOD) From Private Branch Exchange Systems

A12.8.1 General

- A. The service is furnished subject to the availability of facilities and numbers.
- B. The service includes the central office equipment necessary for identification of outgoing toll calls and billing of toll calls by number.
- C. The service must be provided on all trunks or lines in a group.
- D. The minimum contract period for the service is three years. In case of discontinuance or reduction of service within the minimum contract period a basic termination charge as shown in the rates below, reduced by 1/36 for each full month of service provided, shall be applied.
- E. Where Identified-Outward-Dialing is requested on more than one group of trunks or lines, each such group shall be considered a separate service.
- F. The rates herein contemplate the use of standard equipment and serving arrangements. When equipment or service of a special type is requested and provided, rates and charges are based on the additional costs involved to meet the individual requirements of each case.
- G. Operational characteristics of interface signals between Company provided connecting arrangements and customer provided equipment must conform to the rules and regulations the Company considers necessary to maintain proper standards of service.
- H. The Company shall not be responsible to the customer or authorized user or joint user if changes in protection criteria or in any of the facilities, operations or procedures of the Company render any facilities provided by a customer, authorized user or joint user obsolete or require modification or alteration of such equipment or system or otherwise affect its use or performance.

Note 1: These options provide faster signaling on DID trunks. The choice of pulsing alternative depends on the customer's premises equipment.

Note 2: Provides standard automatic number referral for non-listed disconnected DID numbers for twelve months or until the delivery of the new directory, whichever comes first. AIS is only provided where facilities permit.

Note 3: In addition to the rates and charges for the DID Trunk Termination, rates and charges for DID PBX trunks or NARs as specified in Section A3 apply as appropriate.

Note 4: Provisioned only where facilities permit.

J. Usage charges, if appropriate, also apply to the calling party for calls which terminate on Back-Up Line service.

A103. OBSOLETE SERVICE OFFERINGS - BASIC LOCAL EXCHANGE SERVICE

A103.43 BellSouth Business Plus Service (Cont'd)

A103.43.1 Plan Descriptions (Cont'd)

5. Customers may subscribe to either the standalone BellSouth Business Plus service offering or to the BellSouth Business Choice Package (See A103.44) which includes a BellSouth Business Plus service line option or to the BellSouth Complete Choice for Business package (See A3.45) which includes a BellSouth Business Plus service Option 2 line. If BellSouth Business Plus service is subscribed to, the rates of A103.43.2 are applicable. If BellSouth Business Choice Package or BellSouth Complete Choice for Business package is subscribed to, the rates of A103.44.2 or A3.45.2, respectively, are applicable. All of the rules, regulations and limitations specified for each offering will apply to the respective services and features.
6. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. However, for 0+ and 0- calls, usage does not contribute toward the Option 1 usage threshold and each minute of use is rated. The appropriate operator services surcharges will also be charged in accordance with the rules and regulations of A3.14.
7. BellSouth Business Plus service Option 2 customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail.
8. Method of Determining Monthly Usage Charges
 - a. Usage is determined for each call based on minutes or fraction thereof, with a minimum call duration of one minute. This value is then multiplied by the rate per minute for the rate option selected by the customer. The resultant amount is truncated to whole cents for each call. The amount of usage billed to the customer is subject to paragraphs b. and c.
 - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer.
 - c. For Option 2, only usage outside the serving exchange and its additional exchanges is subject to the billing as described in paragraph a.
