(Obsoleted 11-1-2011, Type D - Not available for new installations, additions to existing installations, or moves to a new location.)

A103.38.1 Regulations and Rates

- A. Back-Up Line is an optional service which provides individual line business subscribers with an additional line which is available for inward and outward calling.
- B. This service is only available to individual line business subscribers, where facilities permit. Back-Up Line service cannot be used as the primary business line, and must be located on the same premises as the business individual line service with which it is associated.

Back-Up Line will not be available to the Reverse Billing Option, the two-way Hernando Optional Calling Plan, or Classroom Communication Service.

- C. Each Back-Up Line can receive calls forwarded from one busy primary line or hunt group at no charge. This overflow capability will be provided on the forwarding line.

If a customer subscribes to more than one Back-Up Line, these Back-Up Lines may be provisioned in an overflow group at no charge. Overflow capability may not be provided from a Back-Up Line or group of Back-Up Lines to other lines on the same premises.

- D. Overflow capability from additional primary lines or hunt groups to Back-Up Line service will be provided on the forwarding line.

- 1. Overflow to Back-Up Line from each additional flat, measured, or message rate primary line or hunt group will be provided at the rate specified for Grouping Service.
