15. Use of the Service

- a. The service is furnished subject to the condition that all applicable terms and conditions in Section A2. will be adhered to, with the exception of A2.2.1.A. and B., which restrict the use of service and prohibit payment to the customer by another for use of the service.
- b. The service is provided for use by the subscriber but may be used by others when so authorized by the subscriber, provided that all such usage is subject to the provisions of this Guidebook.
- c. This service is not subject to concessions.
- d. Suspension of service, as covered in A2.3, is not available to Access Line Service For Payphone Service Provider Telephones unless the instrument is totally inaccessible to the general public on a temporary basis. In all cases, the decision to permit temporary suspension of service for Access Line Service For Payphone Service Provider Telephones rests with the Company. If the service is suspended, it will be at full rate.

16. Payphone Service Provider telephones may not be attached to other types of access lines.

17. A subscriber must order a separate access line for each payphone installed and will be billed the appropriate rate for each such line.

18. For customers subscribing to Caller ID - Deluxe, as specified in A13.19.2.H., if the incoming call originates from a customer provided public telephone, the name information transmitted will always be "Pay Phone".

19. If a subscriber violates any guidebook, Commission rule pertaining to Access Line Service for Payphone Service Providers, or guidelines adopted by the Commission and fails to correct any deficiencies within ten (10) calendar days from receiving notification of such violation by the Commission, all access lines will be subject to disconnection of service.

**A7.4 Access Line Service For Payphone Service Provider Telephones (Cont'd)**

**A7.4.7 Payphone Service Provider Inmate Calling Service (PSPICS) (Cont'd)**

- E. Rates and charges for access line service for PSPICS are provided in A7.4.5. At the request of the facility administrator, blocking of equal access calls (101XXXX) may be provided on telephones for exclusive use of inmates at the rate following.
  - 1. Blocking of equal access calls (101XXXX) from completion

(a) Per line	Monthly Rate	USOC PSE
F. Except as modified herein, applicable terms, conditions and requirements as set forth elsewhere in A7.4 for PSP telephones will apply to PSPICS, <i>including availability provided in A7.4.1.</i>	<b>\$1.00</b>	<b>PSE</b>
G. A notice shall be conspicuously displayed near PSPICS telephones which notifies inmates that the prison facility may monitor, time and restrict service from such phones and that information, such as date and time of call, duration of call, and originating and terminating number, may be furnished to the facility, and further, that the use of these telephones constitutes consent to this service.		
H. All subscribers to access line service for PSPICS must obtain a certificate of public convenience and necessity from the Public Service Commission prior to PSPICS being provided by the Company.		
I. All subscribers to access line service for PSPICS are required to validate the billing information for each call.		
J. Billing and Collection services are provided as defined in Section E8. of the Access Services Tariff.		
K. Local, IntraLATA and interLATA calls originating from PSPICS shall be completed over the facilities of carriers holding appropriate certification of public convenience and necessity from the Public Service Commission. This does not preclude the Company from handling local and intraLATA traffic.
