**A9. FOREIGN EXCHANGE SERVICE AND FOREIGN CENTRAL OFFICE SERVICE**

**A9.2 Foreign Central Office Service**

**A9.2.1 General**

- A. Foreign Central Office Service is exchange service furnished to a subscriber in a multi-office exchange from a central office other than the one from which service would normally be furnished.
- B. Foreign Central Office Service is offered in connection with Individual Line Main Station Service, PBX Service and Centrex or ESSX-1 Service only.
- C. Other services, equipment or facilities used in connection with Foreign Central Office Service, except as otherwise indicated in this Guidebook, are furnished subject to the rates and regulations applying in the foreign central office from which the subscriber is served.
- D. Alternate routing of this service may be provided on a direct serve basis to the subscriber's premises from the requested foreign central office on an individual case basis as specified in Section A5, subject to the following conditions:
  - 1. The subscriber must maintain a minimum of fifty percent of the trunks/lines from the central office from which service would normally be furnished.
  - 2. Rates and charges for all components of the service will continue to apply as specified in A9.2.2.A. and B., with the exception of those applicable for Type 2145 channel(s). The monthly rate for the class of service desired will be based on the rates applicable from the foreign central office, but will be no less than the rates for that service from the subscriber's normal serving wire center. Additionally, rates and charges as specified in A5 will apply on an individual case basis.

**A9.2.2 Rates And Charges**

- A. **Methods Of Applying Rates**  
The rate for Foreign Central Office Service is the monthly rate for the class of service desired, plus a foreign central office mileage charge as shown in A9.2.2.B for the distance, airline measurement, between the central office from which the subscriber would normally be served and the foreign central office (i.e., the central office from which the subscriber desires to be served).
- B. The service charges for connections, move or change of service specified in Section A4. apply in addition to the installation charge.
  - 1. Type 2145

**A12.8 Identified-Outward Dialing (IOD) From Private Branch Exchange Systems**

**A12.8.1 General**

- A.** The service is furnished subject to the availability of facilities and numbers.
- B.** The service includes the central office equipment necessary for identification of outgoing toll calls and billing of toll calls by number.
- C.** The service must be provided on all trunks or lines in a group.
- D.** The minimum contract period for the service is three years. In case of discontinuance or reduction of service within the minimum contract period a basic termination charge as shown in the rates below, reduced by 1/36 for each full month of service provided, shall be applied.
- E.** Where Identified-Outward-Dialing is requested on more than one group of trunks or lines, each such group shall be considered a separate service.
- F.** The rates herein contemplate the use of standard equipment and serving arrangements. When equipment or service of a special type is requested and provided, rates and charges are based on the additional costs involved to meet the individual requirements of each case.
- G.** Operational characteristics of interface signals between Company provided connecting arrangements and customer provided equipment must conform to the terms and conditions the Company considers necessary to maintain proper standards of service.
- H.** The Company shall not be responsible to the customer or authorized user or joint user if changes in protection criteria or in any of the facilities, operations or procedures of the Company render any facilities provided by a customer, authorized user or joint user obsolete or require modification or alteration of such equipment or system or otherwise affect its use or performance.

**Note 1:** These options provide faster signaling on DID trunks. The choice of pulsing alternative depends on the customer's premises equipment.

**Note 2:** Provides standard automatic number referral for non-listed disconnected DID numbers for twelve months or until the delivery of the new directory, whichever comes first. AIS is only provided where facilities permit.

**Note 3:** In addition to the rates and charges for the DID Trunk Termination, rates and charges for DID PBX trunks or NARs as specified in Section A3 apply as appropriate.

**Note 4:** Provisioned only where facilities permit.

**A13. MISCELLANEOUS SERVICE ARRANGEMENTS**

**A13.56 Hot Line Service (Cont'd)**

**A13.56.1 General (Cont'd)**

- B. Hot Line Service may be used only in connection with individual line service.
- C. Hot Line Service is furnished only from central offices which have been arranged to provide this service and is provided subject to the availability of facilities.

**A13.56.2 Rates and Charges**

- A. Hot Line Service  
The rates and charges for this service are in addition to normal service and monthly charges for individual line service found in Sections A3. and A4., respectively.
