A103.39 Reserved For Future Use**A103.40 Reserved For Future Use****A103.41 Reserved For Future Use****A103.42 Reserved For Future Use****A103.43 BellSouth Business Plus Service**

(Obsoleted 6-15-2007, Type D - Not available for new installations, additions to existing installations, or moves to a new location. Existing customers may not change to a different BellSouth Business Plus service option, however, they may convert to a Complete Choice for Business package that includes BellSouth Business Plus service.)

A103.43.1 Plan Descriptions**A. BellSouth Business Plus Service**

1. BellSouth Business Plus service is offered as a business individual line service where facilities and equipment are available.
2. BellSouth Business Plus service allows the business customer to choose between two LATA-wide¹ calling options:
 - a. Option 1 - Flat rated plan which allows for unlimited calling within the LATA (subject to a total usage allowance of 120 hours/7200 minutes).
 - b. Option 2 - Combination rated plan which provides for unlimited usage within the serving exchange and its additional exchanges for a flat monthly charge, and a single rate for each minute of use for all other calling within the LATA.
3. The option chosen by the BellSouth Business Plus service subscribers will apply to each of their lines.
4. Touch-Tone Calling service is provided to all BellSouth Business Plus service subscribers at no additional charge.
5. Customers may subscribe to either the standalone BellSouth Business Plus service offering or to the BellSouth Complete Choice for Business package (See A3.45) which includes a BellSouth Business Plus service Option 2 line. If BellSouth Business Plus service is subscribed to, the rates of A103.43.2 are applicable. If BellSouth Complete Choice for Business package is subscribed to, the rates of A3.45.2 are applicable. All of the terms, conditions and limitations specified for each offering will apply to the respective services and features.
6. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. However, for 0+ and 0- calls, usage does not contribute toward the Option 1 usage threshold and each minute of use is rated. The appropriate operator services surcharges will also be charged in accordance with the terms and conditions of A3.14.
7. BellSouth Business Plus service Option 2 customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail.
8. Method of Determining Monthly Usage Charges
 - a. Usage is determined for each call based on minutes or fraction thereof, with a minimum call duration of one minute. This value is then multiplied by the rate per minute for the rate option selected by the customer. The resultant amount is truncated to whole cents for each call. The amount of usage billed to the customer is subject to paragraphs b. and c.
 - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer.
 - c. For Option 2, only usage outside the serving exchange and its additional exchanges is subject to the billing as described in paragraph a.

(T)

Note 1: For a list of all exchanges in each LATA, see A3.6.2.
