    - 2. For the station nearest the central office, a contract is taken for multi-party (4-party) line service and the subscriber is charged the multi-party (4-party) line rate for exchange service. The Company agrees to connect not more than one additional main station to the circuit. In the event of the discontinuance of such other station, the subscriber agrees to pay the individual line rate for exchange service.<sup>1</sup>

#### A103.8.2 Applications, Terms and Conditions

- A. In general, business exchange service is furnished for the exclusive use of the business subscriber and his employees, agents and representatives. Joint User Service is a shared service arrangement which allows the business telephone exchange service of a subscriber to be used, when designated by the primary subscriber, by individuals, firms or corporations not otherwise permitted use of the subscriber's business service by this Guidebook.
- B. Joint User Service is permitted in connection with the following:
  1. Business individual line flat rate, measured rate or message rate,
  2. Commercial PBX flat rate or message rate service,
  3. Hotel PBX service, and

No concession is allowed from the regular rates for Joint User Service.
- D. Application for Joint User Service and for changes in service or equipment furnished therewith, must be executed by the primary subscriber. The primary subscriber is responsible for payment of all charges incurred, regardless of whether such charges are associated with his usage or that of any of his joint users. Stations, additional listings and miscellaneous equipment are furnished, with the consent of the primary subscriber, for use of the joint user, at regular rates.
- E. Charges for Joint User Service date from the day the Company's information records are posted and are payable monthly in advance. The minimum chargeable period for Joint User Service is the life of the directory issue, *where available*, in which the listing first appears, not to exceed one year from the effective date of the listing. Contracts for Joint User Service are self-renewing for periods of one directory issue, not to exceed one year from the effective date of the directory. In the event the joint user listing does not appear in the directory, the minimum chargeable period is for one month. (T)
- F. Joint User Service is terminated and charges for Joint User Service are automatically discontinued upon termination of the primary subscriber's telephone service. Charges for Joint User Service may be discontinued at the request of the subscriber provided that the joint user no longer utilizes any of the customer's joint service or equipment and also that the terms of the minimum service period have been satisfied.
- G. The total charges for telephone service allocated by the primary subscriber among the subscriber and his joint users shall not exceed the charges of the Company to the primary subscriber as set forth in this Guidebook.
- H. Joint users of a primary subscriber's service must have the option of obtaining service directly from the Company.
- I. A joint user is entitled to one listing in the alphabetical section of the directory, *where available, otherwise the Company's Listing Information System*. (T)

Existing customers may not change to a different BellSouth Business Plus service option, however, they may convert to a Complete Choice for Business package that includes BellSouth Business Plus service. )

**A103.43.1 Plan Descriptions****A. BellSouth Business Plus Service**

1. BellSouth Business Plus service is offered as a business individual line service where facilities and equipment are available.
2. BellSouth Business Plus service allows the business customer to choose between two LATA-wide<sup>1</sup> calling options:
  - a. Option 1 - Flat rated plan which allows for unlimited calling within the LATA (subject to a total usage allowance of 120 hours/7200 minutes).
  - b. Option 2 - Combination rated plan which provides for unlimited usage within the serving exchange and its additional exchanges for a flat monthly charge, and a single rate for each minute of use for all other calling within the LATA.
3. The option chosen by the BellSouth Business Plus service subscribers will apply to each of their lines.
4. Touch-Tone Calling service is provided to all BellSouth Business Plus service subscribers at no additional charge.
5. Customers may subscribe to either the standalone BellSouth Business Plus service offering or to the BellSouth Complete Choice for Business package (See A3.45) which includes a BellSouth Business Plus service Option 2 line. If BellSouth Business Plus service is subscribed to, the rates of A103.43.2 are applicable. If BellSouth Complete Choice for Business package is subscribed to, the rates of A3.45.2 are applicable. All of the terms, conditions and limitations specified for each offering will apply to the respective services and features.
6. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. However, for 0+ and 0- calls, usage does not contribute toward the Option 1 usage threshold and each minute of use is rated. The appropriate operator services surcharges will also be charged in accordance with the terms and conditions of A3.14.
7. BellSouth Business Plus service Option 2 customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail.
8. Method of Determining Monthly Usage Charges
  - a. Usage is determined for each call based on minutes or fraction thereof, with a minimum call duration of one minute. This value is then multiplied by the rate per minute for the rate option selected by the customer. The resultant amount is truncated to whole cents for each call. The amount of usage billed to the customer is subject to paragraphs b. and c.
  - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer.
  - c. For Option 2, only usage outside the serving exchange and its additional exchanges is subject to the billing as described in paragraph a.

**A103.45.3 Term Plan**

- A. The Complete Choice for Business package Term Plan is available for any business customer who subscribes to a Complete Choice for Business package.
- B. Complete Choice for Business package Term Plans offer discounts off rates shown in A103.45.2. If the Subscriber does not renew the Subscriber Election agreement for another term or at the expiration of the renewed term, the Subscriber agrees to pay the full rates for the individual package components.
- C. The 12-month term is also available as a 12-month oral agreement with option to re-subscribe. If the customer selects the 12-month agreement with option to re-subscribe, the plan will renew for 12-month intervals. A maximum of two 12-month renewals are available after the first 12-month term. The customer will receive written notification of their selection outlining the details of the agreement, plus subsequent notifications regarding their re-subscription options beginning approximately one hundred and eighty (180) days prior to the expiration of each 12-month term depending upon the subscriber's billing cycle. The customer is under no obligation to re-subscribe after completion of a 12-month term period. Customers will be provided the discounts established in the first 12-month term for both successive 12-month terms.
- D. A termination liability will be assessed to a subscriber who terminates the service prior to the expiration of the term commitment. For Complete Choice for Business package Term Plan elections, the amount to be assessed will be equal to \$20.00 multiplied by the number of months remaining on the term.

Termination liability charges for Complete Choice for Business package Term Plan elections will not be applicable if, during the term period, (1) the customer converts to another Company access and local usage plan with a term equal to or greater than the time remaining on the Complete Choice for Business Package term plan; or (2) the customer converts to an upgraded technology with the Company (i.e. network access lines to PBX Trunks, Centrex, ISDN Prime) and commits to a term equal to or greater than the time remaining on the Complete Choice for Business package term plan. It is at the Company's sole determination whether a product change satisfies the requirements for waiver of the termination liability under this clause; or (3) the customer chooses to terminate their agreement and to negotiate a new Complete Choice for Business package agreement with a term period greater than the time remaining on the existing Complete Choice for Business agreement. The new service agreement will be based on the discounts in effect at the time of establishing the new agreement.

If during the Term, an AT&T ILEC Service (referred to as the "Terminated ILEC Service") provided under a Complete Choice for Business Package Agreement is migrated to a qualifying AT&T Business Voice over IP (BVoIP) Service or to a qualifying AT&T Mobility Service (referred to collectively as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided: (N)

- 1. the Terminated ILEC Service has been installed at the Customer site for no fewer than 3 months; (N)
- 2. the Term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service; (N)
- 3. the Replacement Service is installed or available at the same Customer sites as the Terminated ILEC Service; (N)
- 4. the Replacement Service is contracted for in the same relative quantity(ies) as those Terminated ILEC Services being displaced; and (N)
- 5. activation of the Replacement Service at the Customer sites or for Customer use at such Customer Sites occurs within 90 days of termination of the ILEC Service at that site. (N)

It is at the Company's sole discretion whether a product change satisfies these requirements. (N)
