

GENERAL

APPLICATION OF REGULATIONS

1. The provisions contained in these Regulations apply to unregulated Intrastate services and facilities furnished in Michigan by AT&T Michigan, hereinafter referred to as the Company.
2. Rules and regulations relating to deposits, billing and payments are in addition to rules specified elsewhere in this Guidebook, and the Billing Standards for Basic Residential Telecommunications Service.
3. When services and facilities are provided in part by the Company and in part by other companies, the regulations of the Company apply to that portion of the service or facilities furnished by it.
4. Reserved for future use.

5. This Guidebook replaces the Michigan Retail Catalog. References to "Catalog" in this Guidebook should be treated to mean this Guidebook.
6. Interexchange services and facilities are provided by the Company only within the LATA and affiliated exchanges (i.e., IntraLata) in which the customer is located.

B. UNDERTAKING OF THE COMPANY

1. The Company does not undertake to transmit messages but offers the use of its facilities for the transmission of communications.
2. The calling party is required to establish the calling party's identity to the satisfaction of the called party. The called party has the right to terminate any call at any point. The calling party is required to disconnect any call immediately when the called party indicates the call should be discontinued.
3. Agencies advising of emergency situations are excluded from this requirement.
