COST ASSESSMENT CHARGE (CAC)

A Cost Assessment Charge is assessed on a per line or trunk basis or as shown below for residence and business customers. The CAC is also assessed on a percentage basis against all billed revenue for business customers subscribing to the transport services listed below. The CAC is established to recover property taxes (from business customers) as well as the ongoing costs associated with the administration of Local Number Portability (from line- and trunk-based services from residence and business customers). This charge is not a tax or fee that the government requires AT&T to collect from customers. The CAC does not apply to 911 Services, Coin Services, Lifeline or any of the following account types: Federal, State and Local Government accounts; Resale accounts or accounts designated by the Company as Wholesale. F. PREPAYMENT

Applicants for a service and facilities, other than Federal, State, or Municipal governmental agencies, may be required to prepay one billing period's charges for basic local exchange service as a condition of receiving the regulated service. If an applicant's basic local exchange service is subject to usage-sensitive pricing then the prepayment shall not be more than the average of charges for similar services purchased in the applicant's exchange during the most recent calendar year for which data is available.

G. SHUT OFF (TEMPORARY DISCONTINUANCE) FOR NONPAYMENT

1. Where service has been temporarily shut off in accordance with the provisions of this Guidebook and the service is re-established, a Restoral of Service Charge is made as specified in Part 3, Section 1. This charge covers the customer's entire service and facilities, and is in addition to all other charges due.
2. The Restoral of Service charge does not apply where service has been actually discontinued; in that event, upon payment of all charges due, the service will be re-established on the basis of a new application for service and the payment of the charges associated with such application.

H. CONVENIENCE FEE FOR PAYMENT MADE WITH A COMPANY REPRESENTATIVE

A fee may apply for each instance of payment made with a Company Representative when authorized by the subscriber. The subscriber would be informed by the Company Representative of any applicable charges prior to processing the subscriber's payment. This fee would not apply when automated payment systems are unavailable due to system outages.
