DIRECT INWARD DIALING (DID) WAIVER OFFER

A waiver offer is available for eligible business customers who currently have their business exchange service with another carrier within the AT&T Michigan serving area and who now wish to establish business exchange service with AT&T Michigan.

The normally applicable nonrecurring Line Connection, Trunk Termination and Service Establishment charges will be waived for each DID trunk ordered. In addition, the normally applicable nonrecurring DID number charge will be waived for all DID station numbers ordered. Effective April, 19 2004, customers must enroll in a minimum of a one year access line or local usage term plan to qualify for the waivers.

MAKE BUSY OR BREAK HUNT FEATURE

1. Make busy or break hunt are two methods of restricting traffic to certain PBX trunks or one-party central office lines for night, Sunday and holiday answering. With the arrangement a key is operated at the customer's location which either makes certain lines busy or breaks the hunting from certain lines at the central office so that incoming calls are directed to a certain one or more of a customer's group of lines.
2. The features are available only with individual line service.
3. Charges
