

**AT&T MICHIGAN GUIDEBOOK**

PART 2 - General Terms and Conditions  
SECTION 2 - Regulations

6th Revised Sheet 17

**TDM TO IP TRANSITION**

TDM to IP Transition Provisions

As a result of evolving network technology, the Company is able to offer new, advanced services. At the same time, certain older services will no longer be available in some geographic areas, as those services are no longer technically or economically feasible. The table below identifies services that have been withdrawn by wire center and exchange, along with additional information related to these service withdrawals.
