**A103.38 Back-Up Line (Cont'd)**

**A103.38.1 Regulations and Rates (Cont'd)**

- D. Each Back-Up Line can receive calls forwarded from one busy primary line or hunt group without incurring an additional charge for rotary line service. This overflow capability will be provided on the forwarding line. The addition of a Back-Up Line will not impact existing charges for rotary line service, e.g. if a customer has two primary lines with rotary line service and adds a Back-Up Line, two charges for rotary line service will continue to apply.
- E. Overflow capability from more than one primary line or hunt group to Back-Up Line service will be provided on the forwarding line at rates as specified for rotary line service in Section A13. When more than one primary line or hunt group overflows to the same Back-Up Line, an additional charge for rotary line service (BUL++) is incurred for each additional (excluding the first) primary line or hunt group that overflows to the same Back-Up Line.

(a) Per additional line or group that overflows (See A13.8 for rotary line service rate)	Monthly Rate -	USOC BULRX
--	----------------------	---------------

- F. If a customer subscribes to more than one Back-Up Line, these Back-Up Lines may be provisioned in a sequential hunting rotary group at no charge. Rotary line capability may not be provided from a Back-Up Line or group of Back-Up Lines to other lines on the same premises. Call Forward Busy Line provided at rates specified in Section A13, may be used to forward calls from Back-Up Lines to lines located on different premises (e.g., an after hours answering arrangement).
- G. Back-Up Line service cannot be provisioned with circular hunting.
- H. Rotary line service charges will not apply to a hunt group comprised only of Back-Up Lines. For calls to hunt groups comprised only of Back-Up Lines, only one inward call usage charge (\$.05 per minute) will apply per call terminated on and completed to a Back-Up Line in that hunt group.
- I. A free directory listing is not furnished with Back-Up Line service. Directory listings may be purchased at the rates specified in Section A6.

No Back-Up Line outward usage charges (\$.05 per minute) apply for calls made on a Back-Up Line to the expanded service area or for calls made to toll areas, but the regular expanded service area usage rates or long distance rates do apply for such calls.
