A13. MISCELLANEOUS SERVICE ARRANGEMENTS

A13.9 Custom Calling Services (Cont'd)

A13.9.2 Provision of Service

- A.** Custom Calling Services are furnished only from central offices which have been arranged to provide these services. The services are provided subject to the availability of the facilities.
- B.** Except as provided in C, Custom Calling Services are furnished only in connection with individual line residence and business main service, excluding Access Line Service for Payphone Service Provider Telephones.
- C.** Custom Calling Services as itemized in A13.9.3.B are offered for use with PBX Trunk Service or Outward WATS Service subject to the following limitations:
 - 1. May be provided when compatible with the equipment configuration at the customer's premises.
 - 2. Not available with Direct Inward Dial type trunks.
 - 3. Available with non-hunting arrangements, multiline and series completion hunting arrangements only, and subject to the limitations of these hunting arrangements.
 - 4. Custom Calling Services can be suspended as specified in A2.3.16. During the period of suspension, no recurring charge applies.
- D.** Except during periods of special promotions offered pursuant to A2.10 or where Call Waiting ID is provided as part of some other offering, the service charge for establishment of Call Waiting ID on the customer's line and one month's recurring charge for Call Waiting ID will be waived for the first sixty (60) days of availability in each area. Terms of such special promotions or other offerings as relating to Call Waiting ID will be applied during any period of coincidence between such special promotions or offerings and the first sixty days of availability of Call Waiting ID in a particular area.
- E.** Subscribers to Call Waiting ID must have Touch-Tone service.

A13. MISCELLANEOUS SERVICE ARRANGEMENTS

A13.34 RingMaster Service

A13.34.1 General

- A. RingMaster service will enable a subscriber to have up to three telephone numbers associated with a single line. Customers subscribing to this service will be able to receive calls dialed to two or three separate telephone numbers without having a second or third line. A distinctive ringing pattern will be provided for each of the additional telephone numbers to facilitate identification of incoming calls. A distinctive Call Waiting tone for each additional telephone number will be provided, where facilities permit, to customers subscribing to Call Waiting service.
- B. RingMaster service is offered in the following format. RingMaster I consists of one additional telephone number associated with a single line. RingMaster II consists of two additional telephone numbers associated with a single line.

A13.34.2 Terms and Conditions

- A. This service is available to individual line residence and business customers.
- B. The service is not compatible with PBX trunk service, obsolete Prestige service, Personal Paging service, Company or customer provided public telephone service, lines equipped with multi-line hunting arrangements or foreign exchange service. RingMaster service may not be compatible with all types of customer provided telephone equipment, customer premises switching or key equipment. For BellSouth Centrex RingMaster, see A12.25.12.A.35.
- C. RingMaster service is provided subject to the availability of facilities. Additionally, RingMaster II service may not be available in all central offices equipped to provide RingMaster I service.
- D. RingMaster service subscribers will be entitled to one white page listing with each RingMaster service number. Listings for RingMaster service are subject to terms and conditions specified in Section A6 for directory listings. Other listings will also be provided under the terms and conditions described in Section A6.
- E. All telephone numbers associated with a line equipped with RingMaster service must originate from the same central office switching machine.
- F. When establishing RingMaster service, Call Forwarding service subscribers must choose one of the following options. When Call Forwarding service is activated:
 - 1. All telephone numbers associated with one line will be forwarded to a single number when Call Forwarding service is activated.
 - 2. The main telephone number only will be forwarded when Call Forwarding service is activated. The additional RingMaster service numbers will continue to ring and may be answered at the subscriber's premises.
- G. Secondary Service Charges will apply when changing from one option to the other subsequent to the establishment of RingMaster service.
- H. RingMaster Service can be suspended as specified in A2.3.16. During the period of suspension, no recurring charge applies.
- I. Refer to A13.33 for discounts applicable to the subscription rate of selected multiple features for residence customers.
