A3. BASIC LOCAL EXCHANGE SERVICE

A3.1 General

A3.1.1 Terms and Conditions

- A. Individual line residence and business Basic Local Exchange service is comprised of exchange access lines defined as follows:
Exchange Access Line - The serving central office line equipment and all the Company plant facilities up to the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for message toll service and for local calling appropriate to the offering selected by the customer.
- B. Exchange access lines and station sets are subject to the nonrecurring charges specified in Section A4.
- C. Rates for Basic Local Exchange service may be related to the total number of exchange access lines and PBX trunks in the local calling area.
- D. Exchange Service Areas for each exchange are identified on maps.
- E. Rates specified in Section A23 apply for Basic Local Exchange service which is extended by the subscriber to patrons of hotels and motels or to occupants of time share or condominium complexes serving primarily transient tenants.
- F. The rates for service and equipment not specifically shown in this section are presented in other sections of this Guidebook.
- G. In all sections of this Guidebook, the Private Line Guidebook, the Access Guidebook and the Access Service Tariff, any reference to business line rates refer to the complex business individual line rates as provided in this Section when both simple and complex business individual line rates exist.
- H. On operator assisted calls, the usage charges applicable to the calling number, not the billed number, will apply. Operator assisted service charges as specified in A3.9 will also apply.
- I. The minimum contract period for expanded local service is one month.
- J. Customers may subscribe to Local Usage Detail as specified in A3.22, to receive an itemized list of billed local calls in lieu of the usual summary of local measured rate calls.
- K. Coin telephone services offered in Section A7 are excluded from these plans.
- L. For services that are excluded from Expanded Local Service and whose rates are based on the individual line flat rate, use the applicable Community Caller Plus rate.
- M. A Cost Assessment Charge (CAC) is assessed on a per access line basis for residential and business customers. The CAC recovers ongoing costs associated with the administration of Local Number Portability. The CAC also recovers property taxes from business customers. This charge is not a tax or fee that the government requires AT&T to collect from customers. The following will not be assessed a CAC: Resale, Lifeline, 911 Services, Coin Services and Federal, State, and Local Government accounts.
