## A6. LISTINGS

### A6.4 Non-Published (Private) Number

#### A6.4.1 General

- A.** A non-published number is not listed in the Company's Listing Information System or directory assistance records and will not be furnished upon request of a calling party.  
 The omission of the listing at the customer's request does not entitle the customer to an additional listing without charge in connection with other services to which he may be subscribing  
 However, when a call is placed from a number associated with a non-published listing, the number may be disclosed, subject to technical limitations, if the called party has the necessary equipment for receiving and/or disclosing incoming numbers and/or names. The calling number and/or name will not be disclosed if the calling party blocks delivery via per-call blocking or if the calling line is equipped with per-line blocking.
- B.** An incoming call to a subscriber with a non-published number will be completed by the Company only when the calling party places the call by number. The Company will adhere to this practice notwithstanding any claim of emergency the calling party may present. The acceptance by the Company of the subscriber's request to furnish a non-published number does not create any relationship or obligation, direct or indirect, to any person other than the subscriber.
- C.** In the absence of gross negligence or willful misconduct, no liability for damages arising from disclosing said number to any persons shall attach to the Company. Where a non-published number is disclosed in the Company's Listing Information System, the Company's liability shall be limited to and satisfied by a refund of any monthly charges which the Company may have made for such listing. Under these conditions the Company will, at the subscriber's request, change the number at no charge to the subscriber. The subscriber indemnifies and saves the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the disclosing of said listing information to any person.
- D.** The number, name and address of the calling party may be displayed at a Public Safety Answering Point (PSAP) located on the premises of a customer subscribing to 911 Service, on a call-by-call basis only, for the purpose of responding to emergency calls from non-published numbers. The subscriber forfeits his right to privacy upon making a call to 911.
- E.** For accounting purposes, the number, name, and address of a subscriber with a non-published number may be provided to the Long Distance Carrier(s) who furnishes the subscriber long distance message telecommunications service. Under no circumstance may this information be used by the Long Distance Carrier(s) for marketing purposes.
