A13. MISCELLANEOUS SERVICE ARRANGEMENTS

A13.14 Long Distance Trunk Service (Toll Terminals)

A13.14.1 General

- A. Long distance trunks are facilities which are arranged for access to toll switchboard positions or the direct distance dialing network.
- B. Long distance trunk service is furnished only from central offices which have been arranged to provide this service and is provided subject to the availability of the facilities. Further, access to the IDDD network as provided in A13.14.2.A is furnished only from central offices which provide IDDD with basic exchange service.
- C. Long distance trunk service is available to hotel, motel and hospital customers who have a requirement for placing a large amount of outgoing long-distance toll messages.
- D. This service is not intended for the completion of incoming toll messages, local exchange messages or messages of any nature other than long distance.
- E. Long distance trunk service telephone numbers will not be listed in the Company's Listing Information System.

A113. OBSOLETE SERVICE OFFERINGS - MISCELLANEOUS SERVICE ARRANGEMENTS

A113.11 Network Facilities for use with Public Announcement Services (Cont'd)

A113.11.2 Rates and Charges

- A. The network usage charges are based on hours of use at each announcement location and the announcement line rate.
 - 1. Monthly Usage Charge
 - a. The usage charge is for usage measured in tenths of an hour or fraction thereof. The monthly usage charge is determined by multiplying the rate per hour by the Announcement Line Rate.

(1) Hours of Use

	Monthly Rate Per Hour	USOC
(a) First 50 hours - Monthly rate per hour is .0600 x announcement line rate. ¹	-	ASL
(b) Next 50 hours - Monthly rate per hour is .0200 x announcement line rate. ¹	-	ASL
(c) Next 900 hours - Monthly rate per hour is .0100 x announcement line rate. ¹	-	ASL
(d) Next 2000 hours - Monthly rate per hour is .0080 x announcement line rate. ¹	-	ASL
(e) Next 8000 hours - Monthly rate per hour is .0070x announcement line rate. ¹	-	ASL
(f) Over 11,000 hours - Monthly rate per hour is .0068 x announcement line rate. ¹	-	ASL

- 2. Minimum Service Period at each announcement location

If Announcement Service is terminated by the initial subscriber within six months of the initial installation, the minimum network usage charge for the period served will be 75% of six months usage computed at the maximum level of monthly hours of use for which the network facilities are designed, as determined by the Company.

- 3. Minimum Monthly Charge at each announcement location

The minimum monthly charge shall be 75% of the monthly usage level which is forecasted by the customer and for which the network facilities are designed (e.g., a network designed for 2000 average hours of use per month would incur a minimum charge equivalent to the charge for 1500 hours of use).

- 4. Foreign Exchange or Foreign Central Office Service in Non-Sectored Service

Where service is requested from an exchange or central office foreign to that which would normally serve the announcement service, charges as specified in Section A9 or A13 will apply.
