A13. MISCELLANEOUS SERVICE ARRANGEMENTS

A13.56 Hot Line Service

A13.56.1 General

A. Hot Line Service is an automatic dialing feature which provides the customer with the ability to automatically be connected with another predetermined line in the circuit switched network. When the customer's instrument goes off-hook, a switched connection is set up without any further customer action. The predetermined number is selected by the customer at the time service is established and can be changed only via service order.

B. Hot Line Service may be used only in connection with individual line service.

C. Hot Line Service is furnished only from central offices which have been arranged to provide this service and is provided subject to the availability of facilities.

A13.56.2 Rates and Charges

A. Hot Line Service

The rates and charges for this service are in addition to the monthly and Service Charges for individual line service as set forth in Sections A3 and A4, respectively.

1. Per Individual Line
