F. Residential Service Connection Charge Waiver

Service Connection Charges (such as the Line Connection Charge – First Line or Additional Line) may be waived for residential customers. This waiver is valid for only one (1) service line at the intended local service address. The customer must place the order through an AT&T business office or outbound telemarketing vendor. This waiver is not valid for existing AT&T customers or out of region customers who are new to AT&T. Residential customers who are currently not subscribing to AT&T for local service may be eligible for this waiver. The customer must have at least one (1) wireline local service or equivalent (wireless in lieu of wireline) with a provider other than AT&T at a local service address within AT&T territory. The customer must request the qualifying service at the same address and in the same name as the existing service, unless the customer is planning an imminent move from an address in AT&T territory to another address within thirty (30) days of responding to this offer. In the case of an imminent move, AT&T may offer the customer the waiver of charges and place the order at the new address. The customer must not have had local service with AT&T within ten (10) days prior to the new service connection date.
