A6. LISTINGS

A6.1 Terms and Conditions Applicable To Listings

A6.1.1 General

- (C)
- A. The Rates, Terms and Conditions for listings in this section apply only to the alphabetical listings containing the regular alphabetical list of names of customers. The alphabetical list of names of customers is for the purpose of informing calling parties of the telephone numbers of customers.
 - B. The listings of subscribers either without charge or at the rate specified herein for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by subscribers or prospective subscribers, the Company will not be a party to controversies between subscribers as a result of the inclusion of such listings in the Company's Listing Information System.
 - C. Listings must conform to the Company's practices with respect to its listings. The Company reserves the right to reject listings when, in its sole judgment, such listings would violate the integrity of company records, confuse individuals using the Company's Listing Information System, are intended for advertising purposes, or when the customer cannot provide satisfactory evidence of authorization to do business as requested.
 - D. The Company reserves the right to limit the length of any listing by use of abbreviations when, in its sole judgment, the clearness of the listing and the identification of the subscriber is not impaired thereby.
 - E. Except as hereinafter provided only one listing is furnished without extra charge for each individual line service, PBX system, ESSX service, Digital ESSX service, or Centrex system; where a number of main services are provided on a rotary basis they are considered as one service. MultiServ service, MultiServ PLUS service, and BellSouth Centrex service listings are provided as specified in K. RingMaster service subscribers will be furnished one listing or semi-private listing without charge for every RingMaster service number. RingMaster service listings must be either business or residence as identified by the class of service. Primary Rate ISDN subscribers will be provided a listing for each B-Channel at no charge. If additional listings are required to properly identify the subscriber, such additional listings may be provided without charge to the extent that the number of listings allowed does not exceed the number of individual lines, the number of trunk lines in a PBX system, the number of exchange access trunks (with incoming call capability) in Centrex Type Services or the number of Network Access Register (NAR) Packages in an ESSX service or Digital ESSX service System. Listings showing the appropriate Centrex, ESSX service or Digital ESSX service station number may be furnished indented under the main listing or additional listings. Such listings may be specific departments, locations or titles of key personnel, but may not be names of individuals.
 - F. Additional listings on rotary numbers usually bear the call number of the first line of the rotary group but, at the subscriber's request, they may bear any one of the rotary numbers.
 - G. Generally, the listed address is the location of the subscriber's place of business or residence, including the appropriate zip code. At the subscriber's request a partial address may be listed. An address may be:
 - a number(s) and/or letter(s) followed by the name of a street, a building, when a clear distinction is made between the name of the building and the name of the thoroughfare, a shopping center/mall, apartment complex, industrial park, or similar facility
 - a name of a street, building, shopping center/mall, apartment complex, industrial park, or similar facility
 - any one of the above followed by a community and/or state name
 - a community name only
 - omitted at the subscriber's request

The listed address may not include P.O. Box or use of the word or abbreviation of suite, floor, or apartment before numbers used in the identification.

An address other than the address where the service is located may be listed provided the subscriber has a comparable class of service at the address requested and arrangements have been made for calls to that number to be answered.

Only the customer name and telephone number shall be included in the Company's Listing Information System for a Family Violence Shelter. The Company shall not include an address in its Listing Information System as part of the listing nor will it be available from directory assistance for a Family Violence Shelter.
 - H. Liability of the Company due to errors and omissions in its Listing Information System is specified in Section A2.
 - I. A Secondary Service Charge, as specified in Section A4., applies when an order is issued solely to add or change a listing.
 - J. Listings can be suspended as specified in A2.3.16. However, the suspension rate shall be 50 percent of the regularly charged rate.
 - K. One listing is furnished without charge for each main station line associated with MultiServ service and for each Network Access Register associated with MultiServ PLUS service and BellSouth Centrex service.
