E12. SPECIALIZED SERVICE OR ARRANGEMENTS

E12.1 General

E12.1.1 Provision of Specialized Service or Arrangements

- A. Specialized service or arrangements may be provided by the Company, at the request of an IC, on an individual case basis if such service or arrangements meet the following criteria:
 - 1. The requested service or arrangements are not offered under other sections of this Tariff, except that such service or arrangements may be furnished in lieu of existing tariff offerings for the following services, provided there is reasonable potential for uneconomic bypass of the Company's services:
 - a. Section E7. Special Access Service - Entire Section
 - 2. The facilities utilized to provide the requested service or arrangements are of a type normally used by the Company in furnishing its other services.
 - 3. The requested service or arrangements are provided within a LATA.
 - 4. The requested service or arrangements are compatible with other Company services, facilities, and its engineering and maintenance practices.
 - 5. This offering is subject to the availability of the necessary Company personnel and capital resources.
 - 6. Information filed for Special Service Arrangements furnished in lieu of existing tariff offerings shall be received at the Commission's offices at least 15 days before the date upon which the proposed rates are to become effective.
