4.2.3 PRIVATE BRANCH EXCHANGE TRUNKS (Cont'd)

4.2.3.2 TERM AND VOLUME ARRANGEMENTS^{/1/} (N)

4.2.3.2.1 TERM AND VOLUME DISCOUNT PLAN (TVD)

A. Description

An optional discount pricing plan providing for term pricing on 1 or more measured or flat-rate private branch exchange PBX trunk lines, with additional discounts available for volume commitments. TVD provides for discount on 12, 24 and 36-month term commitments and volume commitments starting with a minimum of 1 PBX trunk line.

B. Regulations

1. Discounts are applied to currently applicable tariff rates.
2. Customer must commit to a minimum volume of PBX trunk lines. The total number of PBX trunk lines within the Company's territory will apply toward the volume commitment. At any time during the term, if the total number of PBX trunk lines in the Company's territory is less than the minimum, an adjustment charge will be billed to the customer.
3. Customer must sign a written service agreement establishing their commitment to the term period, volume, discount percentage to be applied to the monthly rate.
4. When a TVD customer moves service from one service location to another, the duration and discount associated with the service agreement is not affected. If the applicable local exchange access monthly rate changes as a result of the move, the monthly rate at the new service location will be based on the tariff rate in effect at the time of the move for the new location.
5. Customers requesting the termination of their service agreement prior to the completion of the term excluding moves, upgrades and renewals, will incur an early termination charge.
6. Early termination charges will not be billed if the customer upgrades to another one of the Company's services under a service agreement which term period is equal to or greater than the term period remaining on the service agreement being terminated.

/1/ Effective September 15, 2014, Term and Volume Discount Plans for PBX trunks are no longer available. Customers with existing term plans cannot renew or extend such plans, with the exception of customers under the 12-month Renewable Option as described herein. (N)

B. Regulations (Cont'd)

7. Early termination charges do not apply if the customer agrees to continue the service agreement at the new service location and retain an equal or greater number of PBX trunk lines than were connected at the old service location.
8. Early termination charges will not apply if the customer terminates an existing TVD service agreement prior to the end of the term if the customer has signed a new TVD service agreement with a term that is equal to or greater than the term period remaining on the terminated TVD service agreement, and the volume of PBX trunk lines is equal to or greater than the volume of PBX trunk lines on the terminated TVD service agreement.
9. The TVD cannot be combined with other monthly recurring discount plans or promotions on PBX trunk lines.
10. The TVD cannot be combined with any plans or promotions that waive non-recurring charges on PBX trunk lines.
11. Upon completion of the term commitment, if a new service agreement has not been signed, the service will automatically be billed at the current monthly rates for the PBX trunk lines set forth in this tariff.
12. All other tariffed rules and regulations relating to PBX service apply.
13. At the time a customer subscribed to TVD, applicable non-recurring charges (NRCs) will be waived for existing customers migrating existing lines to the TVD plan, existing customers that add lines, and for customer coming to the Company from other carriers. Standard NRCs will apply to lines added subsequent to the initial order.
