

## 7.4 REMOTE CALL FORWARDING

### 7.4.1. REMOTE CALL FORWARDING

#### A. DESCRIPTION

1. This service provides for automatic routing of calls to a Remote Call Forwarding telephone number to another telephone number in a distant exchange.

#### B. REGULATIONS

##### 1. Remote Call Forwarding Service

- a. Does not include telephone set in the exchange in which the service is located.
- b. May be provided with local or foreign exchange service, individual line or trunk service, as an auxiliary hunting terminal to forward calls that result from an all lines busy condition or for a night transfer arrangement.
- c. Is restricted from forwarding calls to the following services:
  - Coin Service
  - Access Services (including Feature Groups A, B, C, or D) unless otherwise specified in the access tariff
  - 700 numbers listed and billed to an interexchange carrier
  - International telephone numbers
  - Numbers associated with N11 services (e.g., 911, 411, 511, 211)
  - Other Remote Call Forwarding numbers
- d. May be provided with 800 service.
- e. Is available in all exchanges served by an electronic switching system central office where facilities and operating conditions permit.
- f. Is subject to transmission limitations, so that the quality of transmission of calls which are forwarded may vary depending on the distance and the routing necessary to complete each call and normal transmission is not guaranteed on any forwarded call. This services is not represented as being suitable for the transmission of data or for connection to other services beyond the premises of the terminating primary station.
- g. Is furnished for a minimum period of two months.

**7.4 REMOTE CALL FORWARDING**

**7.4.1 REMOTE CALL FORWARDING (Cont'd)**

**B. REGULATIONS (Cont'd)**

- h. Is provided on the condition that the customer subscribe to sufficient lines and associated facilities to handle calls without interfering with any local or toll service offered by the company. If, in the opinion of the company, additional Remote Call Forwarding features at the call forwarding location or facilities at the terminating station are needed, the customer will be required to subscribe to them. In the event the customer refuses to subscribe to such additional features and facilities, the customer's Remote Call Forwarding service shall be subject to termination.
  
- 2. One listing in the Company's Listing Information System serving the exchange in which the Remote Call Forwarding Service is located will be provided without additional charge. (C)
