

AT&T NEVADA GUIDEBOOK

PART 7 - Central Office Optional Features
SECTION 5 - Other Central Office Optional Features

Twentieth Revised Sheet 1

7.5 OTHER CENTRAL OFFICE OPTIONAL FEATURES

7.5.1 DIRECT CONNECT^{/1/}

A. DESCRIPTION

Direct Connect service is a feature that provides the capability for an individual flat rate line, either business or residence, to dial directly and automatically to a predetermined number when the line is accessed. No other outgoing calls can be made on a line equipped for Direct Connect. Dial tone is not provided. Incoming calls may be completed as usual.

B. REGULATIONS

1. Direct Connect is offered to flat rate service customers where facilities and operating conditions permit.
2. Any change to the predetermined number to which the direct connect calls are routed must be made with a service order. Appropriate charges apply.
3. The subscriber to Direct Connect service is responsible for the payment of any charges that apply for each completed call between the direct connect station and the receiving station.

The subscriber to Direct Connect service is also responsible for the payment of charges that apply for collect or third number billing calls accepted at the direct connect stations.

C. RATES AND CHARGES

The rates and charges following are for Direct Connect service only. Installation charge does not apply when Direct Connect is installed concurrently on the same line to which a service connection, move or change charge applies.
