15.3. BASE RATE THROUGH OC-n SERVICES

15.3.4. DS1 SERVICE (Cont'd)

C. OPTIONAL FEATURES AND FUNCTIONS

1. Central Office Multiplexing

DS-1 to Voice/Digital

An arrangement that converts a 1.544 Mbps channel to 24 channels for use with voice Grade, Digital Data Over Voice, or Digital Data Services.

D. TERMS AND CONDITIONS

1. The minimum service period for DS1 Service is one month. DS1 Service circuits are offered month-to-month, on a one (1)³, two (2)^{2/}, three (3)^{2/} or five (5)^{1/} year term pricing plan (TPP), or (C) under contract.

- a. For customers that subscribe to a 1, 2^{2/}, 3^{2/} or 5^{1/} year term pricing plan, the monthly rates in effect at the time the service is installed may decrease but will not increase at any time during the term period.
- b. Termination charges will apply to service terminated prior to the contracted period. The termination charge for all service terms will be calculated as follows:

For service terms that become effective on or after January 4, 2005:

- All unpaid Special Construction or Nonrecurring Charges (excluding any waived charges); plus
- Fifty percent (50%) of all recurring charges for the remaining months of the customer's term

For service terms in effect prior to January 4, 2005:

- For the 1-, 2-^{2/} or 3-year^{2/} term pricing plan, the customer is liable for 100 percent of the monthly charges offset by one month's charges for each month of paid service.
- For the 5-year^{1/} term pricing plan, termination liability is the difference between the 3-year term pricing plan monthly rate times 36 and the actual number of months the plan has been in effect times the monthly rate for the 5-year term pricing plan.

- c. During the Term, the Customer may move one Channel Termination of a circuit to another location in the same LATA and keep the Term in force, provided no lapse in service occurs. Moves to a different Serving Wire Center may result in a change in monthly rates. Non-recurring charges, as appropriate, apply. If the Customer moves both ends of the service concurrently, the Customer will be liable for early termination charges.

/1/ As of October 1, 2013, Term Pricing Plan terms greater than 36 months are no longer available for new or renewing subscribers.

/2/ As of January 15, 2021, 24- and 36-Month Term Pricing Plans are no longer available for new or renewing subscribers.

/3/ Effective August 29, 2025, customers may not elect a Term Payment Plan of any length, and existing Term Payment Plans of any length will not be renewed or extended. Upon expiration of any Term Payment Plan, month-to-month rates will apply subject to the Company's right to modify such rates upon notice to customer.
