2.2 GENERAL REGULATIONS - CONDITIONS OF OFFERING

2.2.6 SPECIAL TAXES, FEES, CHARGES (Cont'd)

2.2.6.2 SURCHARGE ENACTED TO PROVIDE ENHANCEMENT OF EXISTING 911 TELEPHONE SERVICE FOR CERTAIN COUNTIES

A. APPLICABILITY

This surcharge is for enhancement of the telephone system for reporting an emergency in the county in which the surcharge has been imposed. Authorization of this surcharge is Nevada Revised Statutes (NRS) 244A.7643

As detailed in Chapter 244A of the NRS, the surcharge imposed by a board of county commissioners may not exceed one dollar (\$1.00) each month for each access line or mobile telephone service line to the Company or 10 times the amount of the surcharge imposed for each trunk type line to the Company, pursuant to passage of SB 196 on May 25, 2017. Surcharges will be placed on foreign exchange access lines by the Company normally rendering the bill to such customers. The Company is not responsible for payment of any uncollected or uncollectible fees pursuant to NRA 244A.7643. (C)

B. TERRITORY

Within the territory served and where enacted by the board of county commissioners in the prescribed county.
