
C2-A. GENERAL REGULATIONS

2.1 UNDERTAKING OF THE UTILITY (Cont'd)

2.1.3 LIMITATIONS (Cont'd)

A. REGULATIONS (Cont'd)

8. No license under patents (other than the limited license to use) is granted by the Utility or shall be implied or arise by estoppel, with respect to any service offered under this tariff. The Utility will defend the customer against claims of patent infringement arising solely from the use by the customer of services offered under this tariff and will indemnify such customer for any damages awarded based solely on such claims.
9. The Utility's failure to provide or maintain services under this tariff shall be excused by labor difficulties, governmental orders, civil commotions, criminal actions taken against the Utility, acts of God and other circumstances beyond the Utility's reasonable control, subject to the Credit Allowance for a Service Interruption as set forth in C2.4.4 following.

2.1.4 PROVISION OF SERVICES

The Utility, to the extent that such services are or can be made available with reasonable effort, and after provision has been made for the Utility's telephone exchange services, will provide to the customer upon reasonable notice services offered in other applicable sections of this tariff at rates and charges specified therein.

The Company may discontinue certain Company services in geographic areas for which the Company has no customers subscribing to those services. (N)

2.1.5 INSTALLATION AND TERMINATION OF SERVICES

The Access Services provided under this tariff (A) will include any entrance cable or drop wiring and wire or intrabuilding cable to that point where provision is made for termination of the Utility's outside distribution network facilities at a suitable location inside a customer-designated premises and (B) will be installed by the Utility to such maximum Point of Termination.

Access Service has only one point of termination per customer premises. Any additional termination beyond such Point of Termination is the sole responsibility of the customer. The Point of Termination is an inherent part of Switched and Special Access Services, therefore, the preceding does not preclude the customer's ability to have the Point of Termination moved as set forth in C6.7.7 and C7.2.4 following for Switched and Special Access Services, respectively.
