

**FOREIGN EXCHANGE SERVICE**

**A. General Regulations**

Foreign Exchange service is exchange service furnished to a customer from an exchange other than the one in which he is located.

Such services are not in accord with the general plan of furnishing telephone service, and they will be furnished only under special conditions where the service is warranted by the circumstances involved. The Company does not obligate itself to furnish these services, particularly when it involves undue expense or impairment of the service furnished the general public.

Customers, for the exchange portion of the service, are also subject to the rules and regulations of Part 4, Section 1; and for the private line portion of the service, are subject to the rules and regulations of Part 15, Section 1.

**B. Rates**

1. The Private line portion of Foreign Exchange Service will be provided at rates and charges as found in Part 15. The exchange portion of Foreign Exchange Service will be provided at the rates and charges as found in this offering and Part 4, Section 2. The calling scope for each foreign exchange access line is as found in Part 4, Section 1.

**FOREIGN SERVING OFFICE SERVICE**

**A. General Regulations**

Foreign serving office service is exchange service furnished to a customer in a multioffice exchange via private line service from a serving office other than the one which serves the area in which he is located.

Such service is not in accord with the general plan of furnishing telephone service, and will be furnished only under special conditions where the service is warranted by the circumstances involved. The Company does not obligate itself to furnish this service, particularly when it involves undue expense or impairment of the service furnished the general public.

This service is available only in connection with one party business or residence service or Centrex.

**B. Rates**

1. The Exchange portion of Foreign Serving Office service is furnished subject to the rules and regulations and rates of the foreign serving office from which they are furnished.
2. The private line portion of Foreign Serving Office service will be provided subject to the rules, regulations, and rates found in Part 15 of this Guidebook.
3. All other services and equipment are subject to the rules, regulations, and rate of the exchange in which the termination is located.
