INTRALATA WHOLESAL SERVICE

1. Application of Tariff

This tariff contains regulations and rates applicable to the provisioning of IntraLATA Wholesale Service (IWS). IWS offers Interexchange Carriers (ICs) the ability to transport 1+ IntraLATA toll calls placed by its end users over the Company's network from the Company's access lines provided to the Company's end users. Customers with a valid Carrier Identification Code (CIC) and that are certificated by the Public Utilities Commission (PUC) are eligible to purchase IWS from this tariff. IWS provides IC's with an unrated toll record.

2. Definitions

CALL - Denotes a call originating and terminating within the same LATA, or an originating attempt.

CARRIER IDENTIFICATION CODE (CIC) - Denotes the numeric code that is assigned by the North American Numbering Plan Association (NANPA) to long distance carriers for the provisioning of Feature Group B and/or D trunk side Access Service. The four digit numeric code uniquely identifies the IC.

CUSTOMER(s) - Denotes any individual, partnership, association, joint-stock company, Trust, corporation or government entity or any other entity which subscribes to the services offered under this tariff.

END USER - Denotes any customer of an intrastate telecommunications service that is not a carrier.

EXCHANGE - Denotes a unit, generally smaller than a Local Access and Transport Area, established by the Company for the administration of communications service in a specified area which usually embraces a city, town or village and its environs. It consists of one or more central offices together with the associated facilities used in furnishing communications service within that area. One or more designated exchanges comprises a given Local Access and Transport Area.

INTRALATA WHOLESAL SERVICE

2. Definitions (Cont'd)

INTEREXCHANGE CARRIER (IC) - Denotes any individual, partnership, association, joint-stock company, trust, governmental entity or corporation engaged for hire in intrastate, interstate or foreign communication by wire or radio, between two or more exchanges.

INTRALATA SERVICE - Applies to service between points which are in the same Local Access and Transport Area (LATA).

LOCAL ACCESS AND TRANSPORT AREA (LATA) - Denotes a geographic area established for the provision and administration of communications service. It encompasses one or more designated exchanges, which are grouped to serve common social, economic and other purposes.

MESSAGE - Denotes a "call" as defined preceding.

(CT) THE COMPANY - Refers to Southwestern Bell Telephone, L.P. d/b/a AT&T Oklahoma.

3. Regulations

3.1 Scope

- A. The Company does not undertake to transmit messages but furnishes the use of its service to its Customers for telecommunications.
- B. The provision of services by the Company as set forth in this tariff does not constitute a joint undertaking with the IC for the furnishing of any service.
- C. Facilities utilized by the Company to provide service under the provision of this tariff shall remain the property of the Company.
- D. The IC, not The Telephone Company, is totally responsible for all required High Cost Fund/Universal Service Fund payments that are associated with the IWS usage.

3.2 Availability of Service

Service is furnished subject to the availability of the service components required. The Company will (1) determine which of those components shall be used and (2) make modifications to those components at its option.

INTRALATA WHOLESAL SERVICE

3. Regulations (Cont'd)

3.5 Abuse and Fraudulent Use

The service is furnished subject to the condition that there will be no abuse or fraudulent use of the service. Abuse or fraudulent use of service includes:

- A. The use of the services of the Company to transmit a message or to locate a person or otherwise to give or obtain information, without payment of the charge applicable for service;
- B. The obtaining, or attempting to obtain or assisting to obtain, IntraLATA service, by rearranging, tampering with, or making connection with any service components of the Company, or by any trick, scheme, false representation, or false credit device, or by or through any other fraudulent means or device whatsoever, with intent to avoid the payment, in whole or in part, of the regular charge for such service;
- C. The use of service of the Company for a call or calls, anonymous or otherwise, if in a manner reasonably expected to frighten, abuse, torment, or harass another;
- D. The use of profane or obscene language;
- E. The use of the service in such a manner as to interfere unreasonably with the use of the service by one or more other customers.

3.6 Unlawful Purposes

The service is furnished subject to the condition that it will not be used for an unlawful purpose.

3.7 Payment for Service

The IC is responsible for payment of all charges for services furnished to the IC.

3.8 Termination of Service for Cause

Upon nonpayment of any sum due the Company, or upon a violation of any of the conditions governing the furnishing of service, the Company may by notice in writing to the IC, without incurring any liability, forthwith discontinue the furnishing of said service until payment in full has been made.

INTRALATA WHOLESALE SERVICE

3. Regulations (Cont'd)

3.9 Advance Payments

Applicants for IWS, whose financial responsibility is not a matter of general knowledge or who are not connected in a substantial way with a firm, corporation or other concern of established credit, may be required to make an advance payment of at least one month's estimated charges.

3.10 Deposits

The Company may, in order to safeguard its interests, require the IC to deposit a sum up to an amount equal to twice the estimated average monthly charge for IWS offered herein; such deposit to be held by the Company as a guarantee of the payment of charges provided for herein. The fact that a deposit has been made in no way relieves IC from complying with the Company's regulations as to advance payments and the prompt payment of bill on presentation. At such time as the service is terminated, the amount of the deposit shall be credited to the IC's account and any credit balance which may remain shall be refunded. At the option of the Company such a deposit may be refunded or credited to the IC at any time prior to termination of the service. In the case of a cash deposit, for the period the deposit is held by the Company, the IC will receive simple interest that has been established by the appropriate legal authority within the state.

4. intraLATA Wholesale Service (IWS)

4.1 General Description

IWS offers ICs the ability to transport 1+ IntraLATA toll calls placed by the IC's end users over the Company's network from the Company's access lines provided to the Company's end users. IWS provides an originating and terminating toll IntraLATA service offering to an IWS customer.(1)

IWS allows ICs with a valid Carrier Identification Code (CIC) to route all 1+ IntraLATA toll traffic, 0+ Collect and 0+ Billed to Third Party IntraLATA calls over the Company's existing network.

0+ Collect Calls and 0+ Billed to Third Party IntraLATA calls will route over the Company's network and will be completed by the Company. The IWS customer will not be charged the MOU for these calls.

Excluded from IWS are casual dialed IntraLATA toll calls (101XXXX+1), Foreign and Home Numbering Plan Area (F/HNPA) 555-1212 intraLATA, HNPA 555-1212 interLATA and Coin service (1+ Coin Service will not work without Exchange Access Operator Services Signaling and coin control signaling provided by the subscriber's trunk group).

- (1) The network announcement heard by a caller will be that of the Company, not the IWS customer as the IWS customer uses the Company's infrastructure including network announcement.

4. IntraLATA Wholesale Service (IWS) (Cont'd)

4.2 Ordering

An IWS Order is an order to provide the customer with IWS services or to provide modifications to existing IWS services. The customer must purchase IWS for all LATAs within a state when ordering service. The IWS Service Order Charge as specified in Section 5.2 will apply to each Tandem.

A minimum of 30 days written notice to establish service and to disconnect service is required.

5. Rates

5.1 Rate Regulations

This section contains the specific regulations governing the rates and charges that apply for IWS.

There are three types of rates and charges that apply to the IWS rate elements. These are nonrecurring charges for the IWS Order Charge and Network Charge and a recurring usage charge for each completed Minute Of Use on the IWS Network.

The IC, not The Telephone Company, is totally responsible for all required High Cost Fund/Universal Service Fund payments that are associated with the IWS usage.

5.2 Rate Elements

- A. The IWS Rate is assessed per completed originating minute of use for network facilities, unrated toll record and terminating charges.
- B. The IWS Service Order Charge will be applied to each service order, per Tandem, processed by the Company.
- C. The IWS Network Charge will be applied to existing IWS customers on October 31, 2003 or to any initial IWS order after that date. This charge covers the establishment and removal of IWS functionality in all Company end offices for which service is ordered.
