

AT&T OKLAHOMA GUIDEBOOK

PART 2 - General Terms and Conditions
SECTION 2 - Regulations

4th Revised Sheet 1

RULES AND REGULATIONS APPLYING TO ALL CUSTOMERS' CONTRACTS

A. Rules and Regulations

1. The regulations specified herein are in addition to the regulations contained in other sections of this Guidebook. Failure on the part of customers to observe these rules and regulations of the Company automatically gives the Company the right to cancel the contract and discontinue the furnishing of service.

Nothing in this guidebook should be deemed to invalidate or modify the terms and conditions of any existing contracts entered into pursuant to "Centrex C.O. Service", "Plexar-II" or "Plexar-Custom" sections of the Guidebook.

The Company's obligation to furnish service or to continue to furnish service is dependent on its ability to obtain, retain and maintain, without unreasonable expense, suitable facilities and rights for the construction and maintenance of the necessary pole lines, circuits and equipment and to provide for the installation of those facilities required incident to the furnishing and maintenance of that service.

The Company may discontinue certain Company services in geographic areas for which the Company has no customers subscribing to those services. The Company may grandfather certain Company services in geographic areas at its discretion, subject to any applicable regulatory approvals.

In addition and subject to the appropriate regulatory approvals, the Company may grandfather all services governed by this Guidebook in certain geographic areas. Once grandfathered, such services will no longer be available for purchase and existing customers will no longer be able to move, add or change their existing service.⁽¹⁾

(C)

The regulations covering the connection of equipment, accessories or facilities provided and maintained by the customer are contained in other sections of this Guidebook.

2. Present Worth Amount for Equipment Provided Under Plan I and Plan II

Where present worth amount or basis is referred to in the regulations covering equipment provided under Plan I and Plan II rates, the percentage to be used will be nine percent per annum for existing installations and for service ordered before and installed not more than six months after July 29, 1981, except where the installation period allowed in other sections of this Guidebook are different, then the product specific period will apply.

Where present worth amount or basis is referred to in the regulations covering equipment provided under Plan I and Plan II rates, the percentage to be used will be 14.5 percent per annum.

Note 1: Effective on or after December 31, 2023 (as permitted by the FCC), neither new nor existing customers will be permitted to purchase services in certain geographic areas.
