

1. ADVANCED CUSTOM CALLING SERVICE

A. Calling Party Number Blocking

Calling Party Number Blocking provides telephone customers with the capability to prevent the disclosure of the calling telephone number on calls made to an exchange service equipped with Caller ID and other Advanced Custom Calling services where the calling party number may be disclosed. Calling Party Number Blocking is available on a per call basis for residence and non-residence customers. Calling Party Number Blocking is available on a per service basis for residence and non-residence customers.

Per call Calling Party Number Blocking is accomplished by the customer dialing an activation code (*67 for Touch-Tone and 1167 for rotary dial pulse) prior to placing each call for which blocking is desired. Per call blocking is automatically provided without charge to all customers in central offices equipped to offer Caller ID or other Advanced Custom Calling Services where calling party number may be disclosed.

Calling Party Number blocking, (per-call or per-line) automatically prevents the display of the calling telephone number on calls dialed from an exchange service equipped with this option, except for calls made to 911 or to a party that subscribes to an ANI or charge number based service and the call if paid for by the called party.
