SECTION 6 – BUSINESS INTERNATIONAL SERVICE DESCRIPTIONS, RATES AND CHARGES

6.1 Business Default Service

6.1.1 Business Default Service Rates

If Business Customers do not select a Business International Optional Calling Plan, the Business Basic IDDD Plan A (Basic IDDD) outbound switched access rates will apply for all 1+ Direct-Dialed international calls from the U.S. to international destinations.

6.1.2 Business Basic IDDD

- A. Business Basic IDDD is an outbound only International long distance Service. All Business Customers that subscribe to any of the Company's outbound interstate service offerings and do not select an International optional calling plan will be assigned Basic IDDD as their International outbound Service for 1+ Direct-Dialed International calls originating in the United States or Extended Area from a Customer's presubscribed line and terminating to an International number. Customers that select an optional calling plan will be billed at the rates associated with the optional calling plan selected by the Customer.
- B. Except for International calls to Canada, San Maarten or the Caribbean Countries, Customers may direct dial International long distance calls by dialing 011 + country code + city code + number. Calls to Canada, San Maarten or Caribbean Countries, are completed by dialing one (1) + area code + called telephone number.
- C. All calls are billed in increments of one (1) minute subject to a minimum connect time (initial period) of one (1) minute.
- D. Calls terminating to a wireless device, such as a cellular phone, pager, personal computer or personal digital assistant may incur an additional per minute charge, referred to as an international mobile termination charge described in Section 9 of this Guidebook.
