
SECTION 7 - SPECIAL SERVICE ARRANGEMENTS

7.1 General

- 7.1.1 The Company may offer Services to Customers for terms and conditions and for rates and charges that differ from those stated in this Tariff. Individual contracts will specify the applicable terms and conditions, rates and charges, and the length of the term plan agreement. Such terms and conditions and rates and charges will be available under contract to similarly situated Customers for a period of ninety (90) days following the effective date of the SSA of the initial Customer for whom the SSA was designed, unless otherwise specifically provided for in the SSA. Similarly situated Customers enrolling in a SSA must agree to service installation no more than ninety (90) days after contracting to receive services under a SSA.
- 7.1.2 Unless otherwise specified, the regulations for the special service arrangements are in addition to the applicable regulations specified in other sections of this Tariff. Customer-specific service arrangements, which may include engineering, installation, construction, facilities, assembly, and/or other special services, may be furnished in addition to existing Tariff offerings. Rates, terms, and conditions plus any additional regulations, if applicable, for the special service arrangements will be developed upon Customer's request.
