SECTION 5 –MISCELLANEOUS CHARGES

5.4 Payphone Origination Charge

Pursuant to the FCC's Order in CC Docket 96-128, this charge applies only to dial-around calls, i.e., calls originating using a carrier's access code, a Customer's 800/877/888 (and other area code assignments as appropriate) number and other toll free numbers and debit card calls, from payphone instruments.

The Customer shall pay the Company a per call charge of \$0.60 per call for all such traffic.

5.5 PIC Change Rebate

If local telephone company is requested to change the subscriber's PIC from one long distance service provider to another long distance service provider, the local telephone company may charge the Customer for the PIC change. If a Customer incurs such a charge from its local telephone company for changing the PIC to the Company, the Company will rebate that charge to the Customer. The rebate will be in the form of a credit on the Customer's bill. The credit will appear within two (2) billing cycles after the Customer provides the Company proof that the local telephone company billed the Customer for the PIC change.

5.6 Account Codes ^{1,2}

	MRC
Small Business Plans	\$00.00 per BTN/BAN
High Volume Calling Plans	\$00.00 per BTN/BAN

¹This feature is no longer available to new Customers effective January 12, 2015. Additionally, concurrent with this change, the non-mandatory account code option is discontinued.

² Effective June 12 2015, no changes will be allowed to Account Code configurations. Network facilities supporting Account Codes are being discontinued in some areas, which will impact the availability of this feature. Existing customers may continue with current Account Code configurations where network capability exists or until the Account Code billing feature is discontinued in its entirety by the Company.
