A3. BASIC LOCAL EXCHANGE SERVICE

A3.31 Lifeline

A3.31.1 Description of Service

- A. The Lifeline program is designed to increase the availability of telecommunications services to low income subscribers by providing a credit to monthly recurring local service to qualifying residential subscribers. Basic terms and conditions are in compliance with *FCC rules and regulations including* the FCC Report and Order and Further Notice of Proposed Rulemaking in WC Docket No. 11-42, adopted January 31, 2012, *and the Lifeline and Link Up Reform and Modernization Third Report and Order, Further Report and Order, and Order on Reconsideration, WC Docket No. 11-42 (rel. April 27, 2016) ("Lifeline Reform and Modernization Order")*. (C)
- B. Lifeline is supported by the federal universal service support mechanism.
- C. Federal uniform support of nine dollars and twenty five cents (\$9.25) is available for each Lifeline service and is passed through to an eligible customer via a monthly Federal Lifeline credit. An additional three dollars and fifty cents (\$3.50) credit is provided by the state. The total Lifeline credit available to an eligible customer in South Carolina is twelve dollars and seventy-five cents (\$12.75). The amount of credit will not exceed the charge for local service.

A3.31.2 Terms and Conditions

- A. General
 - 1. One low income credit is available per household and is applicable to the primary residential connection only. Lifeline support is limited to a single subscription per household where household is defined to be any individual or group of individuals who are living together at the same address as one economic unit. For the purposes of this rule, an economic unit consists of all adult individuals contributing to and sharing in the income and expenses of a household.
 - 2. A Lifeline customer may subscribe to any local service offering available to other residence customers.
 - 3. Toll blocking, if elected, will be provided at no charge to the Lifeline subscriber.
 - 4. No deposit will be required of a Lifeline customer who subscribes to toll blocking. If a Lifeline customer removes toll blocking prior to establishing an acceptable credit history, a deposit may be required. When applicable, advance payments will not exceed the connection and local service charges for one month.
 - 5. Neither the Federal Universal Service Charge nor the South Carolina Intrastate Universal Service Surcharge will be billed to Lifeline customers.
 - 6. A Lifeline subscriber's local service will not be disconnected for non-payment of toll charges. Local service may be denied for non-payment of local calls in accordance with A2. Access to toll service may be denied for non-payment of toll charges. A Lifeline subscriber's request for reconnection of local service will not be denied if the service was previously denied for non-payment of toll charges.
 - 7. Lifeline is not available for resale.
