A12.25 BellSouth Centrex Service (Cont'd)

A12.25.11 Standard Features

A. General

1. The quantity of features offered as standard and optional will be dependent on the switch type.
2. The maximum number of features that can be provisioned on a station line is dependent on the serving central office.
3. All features are offered where facilities permit. This will be dependent on the serving central office.
4. Feature operation may vary based on the serving central office.
5. The operation of some features may make them incompatible with other features requested by the subscriber. Incompatible features will not be provisioned on a station line.
6. A list of the Standard Features is available for each switch type as indicated in A12.25.21. As additional features become available in each switch type and are offered by the Company with this service as Standard Features, those additional features will be added to the Standard Features lists.
