SECTION 3 - Services and Rates

RESIDENCE SERVICE RATES

A. Residence Basic Service

The following are exceptions to Residence Basic Service:

1. Access line for Lifeline customers (D)
2. The additional line for non-Lifeline customers who subscribe to an additional access line if the local service type is a Company build-out location. (D)
3. Any line where the customer calls to disconnect their vertical feature plan provided the customer is at a Company Build-out location and has high speed internet on the same line as their package. (C)

Residence customers with two or more lines must have basic service that includes In-Line on each line if the local service type is a Loop Lease.

- AT&T High Speed Internet^{/1/}

Price: Up to \$150.00 recurring charge per access line

- Directory Assistance

AT&T Texas furnishes Directory Assistance Service whereby customers may request local and national listing information. All terms, conditions and rates are identical to those listed in the AT&T Texas Guidebook, Part 11, Section 2. *National Directory Assistance* information may be found in the AT&T Texas Guidebook, Part 11, Section 2.

- Local Operator Assistance

Local Operator Assistance for purposes of these terms is the assistance given by the Company provided operator upon customer request in dialing a local number.

All terms, conditions and rates are identical to those listed in the AT&T Texas Guidebook, Part 11, Section 1.

/1/ AT&T High Speed Internet is an information service that combines DSL transport and Internet access with customized content, services and applications, provided by AT&T Texas and/or an AT&T affiliated company.

SECTION 3 - Services and Rates

RESIDENCE SERVICE RATES (cont'd)

B. Other Residential Services (cont'd)

The term "Service Charge" represents one of the following work functions necessary to perform a service connection, inside move or change for business or residence class of service customer:

Service Ordering Charge – receiving, recording and processing information in connection with a customer request for service. One Service Ordering Charge is applicable per customer request, per due date, per account. However, when multiple service orders are required for AT&T Texas reasons, only one Service Ordering Charge applies. There are two types of service order charges:

- Primary – primary charges apply on New Connect (N), Change of Address (T) and Number Change (C) type order activity of the billing telephone number, or the bill on telephone number.
- Secondary – secondary charges apply on all other order activity.

Trip Charge – when it is necessary to travel to the customer's premises, one Trip Charge is applicable per customer request, per due date, per premises. When more than one trip to the customer's premises is necessary for AT&T Texas reasons, only one Trip Charge is applicable.

Central Office Access Charge – work associated with the line extending from the serving central office to the customer's premises. It includes, but is not limited to, central office connections, cable cross-connections, and connecting or moving the drop wire or protector block.

Residential Service Charges

Service Ordering Charge

Primary	Up to \$50.00	(C)
Secondary	Up to \$50.00	(C)
Trip Charge	Up to \$35.00	
Central Office Access Charge	Up to \$50.00	(C)

Additional Charges

AT&T Texas may apply a surcharge when resale of an ILEC's services are required to serve customers. If special construction of facilities, as defined in SECTION 1, **CONSTRUCTION CHARGES**, paragraph B. *Special Construction*, is required to serve customer, customer will bear such construction charges. Additionally, any expedites or special requests may result in additional charges and/or fees. Such Additional Charges, or the basis on which is such charges will be calculated, will be quoted to customer before customer completes an order for service.

Discounts

- Customers may be offered discounts based on term agreement lengths. Discounts will be negotiated on an individual case basis.
- Customers may be offered discounts for volume purchase agreements. Discounts for volume purchases will be negotiated on an individual case basis.
- Company may extend other discounts based on market conditions as deemed appropriate in the Company's discretion.
- Customers may be offered discounts based on the purchase of packages that may be offered by the Company.

SECTION 3 - Services and Rates

RESIDENCE SERVICE RATES (cont'd)

B. Other Residential Services (cont'd)

Promotions

AT&T Texas will conduct trials and/or promotions of products and services throughout its COA service area. These may involve limited time offers, discount periods, waiver of connection charges or other promotional activities.

Termination Charges

A termination charge will apply if the consumer customer disconnects any portion of their contracted service prior to the expiration of their term commitment.

BUSINESS SERVICE RATES (cont'd)**G. Charges for Special Customer Requests**

Additional charges are applicable when a customer requests special handling of the service request in the AT&T CLEC Texas territory. This special request is subject to the availability of the work force and the necessary service facilities.

Expedited Order Charge, per line up to \$4,000 (C)

Expedited Service refers to work performed by AT&T Texas CLEC employees on a reduced interval basis Monday through Friday, after hours and on weekends due to a customer request. A reduced interval is any date that is less than the normal interval as determined by the AT&T Texas CLEC.

Cancellation of Special and Digital Services, per line \$50 - Custom Pricing^{/6/}

Cancellation charges are costs incurred on behalf of the customer by AT&T Texas CLEC that are applicable, starting with the engineering and design of the special/digital services order to the day prior to the confirmed due date, whereby the customer cancels the special/digital services order.

Coordinated Hot Cut Conversions \$35 - Custom Pricing^{/6/}

Coordinated conversions charges are costs incurred on behalf of the Customer by AT&T Texas CLEC that are applicable when there are dedicated resources requested and/or required for the special handling of number portability and service conversions.

Footnotes

- /1/ Service Connection Charges are applicable as shown in SECTION 3, **BUSINESS SERVICE RATES**, paragraph K. *Service Connection Charges*.
- /2/ Additional Service Connection Charges are applicable by product or custom pricing for installs, changes, disconnects and other rearrangement requests.
- /3/ Contract Term Pricing Available.
- /4/ Contract Term Required.
- /5/ Additional Charges are applicable on metro calling scopes.
- /6/ Custom pricing arrangements will be based on the costs, payment plan and contract option selected. These factors will vary with each product – Custom arrangement and will, therefore, reflect varying rates for individual arrangements.
- /7/ Additional charges are applicable to optional features for digital and ISDN services.
- /8/ Additional charges are applicable to DSL line conditioning (removal of bridge taps and load coils).
- /9/ These services may be provisioned as intraLATA, interLATA, and/or international services as provided by AT&T Texas and/or AT&T affiliated companies.
- /10/ SelectVideo/SelectData are obsolete services for new customers as of January 1, 1997.
- /11/ Access Advantage Plus Service will no longer be available to new customers (no current contract or service) on or after November 1, 2016. Customers having this service or who have placed orders which were accepted by the Company prior to this date, may continue such service from their present location, subject to the following conditions: new requests for physical changes to Access Advantage Plus Service, including moves to different service addresses, will not be provisioned.
- /12/ Effective September 30, 2017, GigaMAN and DecaMAN Services will no longer be available for purchase by new or existing customers. The Company will no longer accept orders for adds, moves, changes or new term plans for GigaMAN/DecaMAN Services, and existing term plans may not be renewed, converted or extended. Following the expiration of a customer's existing GigaMAN/DecaMAN term agreement, service will be provided on a month-to-month basis at the applicable monthly extension rates until the service is discontinued.

BUSINESS SERVICE RATES (cont'd)

H. Ethernet Services

AT&T Switched Ethernet Service ^{SM /2,3,4,7/} (Availability determined by Facilities)	Custom Pricing ^{6/}	(C) /2/ (C) /2/ (D)
AT&T Dedicated Ethernet Service ^{SM /2,3,4,7/} (Availability determined by Facilities)	Custom Pricing ^{6/}	(N) (N) (D) — (D)

I. Other Services

Directory Assistance

AT&T Texas furnishes Directory Assistance Service whereby customers may request local and national listing information. All terms, conditions and rates are identical to those listed in the AT&T Texas Guidebook, Part 11, Section 2. *National Directory Assistance* may be found in the AT&T Texas Guidebook, Part 11, Section 2. (C)
(C)

Local Operator Assistance

Local Operator Assistance for purposes of these terms is the assistance given by the Company provided operator upon customer request in dialing a local number. (C)
(D)

All terms, conditions and rates are identical to those listed in the the AT&T Texas Guidebook, Part 11, Section 1. (C)

CompleteLink 2.0^{1/}

CompleteLink requires AT&T CLEC local access and/or local usage. Services contributing towards the MARC include AT&T CLEC services. A customer may include up to, but not exceed, 3,000 of its accounts from the AT&T CLEC out-of-franchise territory in Texas only under one CompleteLink agreement. Other rates, terms and conditions are identical to those listed in the AT&T Texas Guidebook, Part 4, Section 5, which are incorporated herein by this reference. These terms and conditions will be applied separately to the business customer's locations served by AT&T Texas CLEC and to those locations served by AT&T Texas (ILEC).

See Page 20 for additional footnotes

/1/ The CompleteLink plan is obsolete for business customers, except existing installations at existing locations for existing business customers for the remainder of their term who subscribed to the plan prior to December 15, 2006.

SECTION 3 - Services and Rates

BUSINESS SERVICE RATES (cont'd)**J. Business Customer Package Rates**

Custom Biz SaverSM (CBS) is a suite of four packages for small and mid-sized business customers with one to ten Business Access Lines. Discounted flat rates are available using any combination of the four packages listed below.

Minimum offer requirements are to have either one Flat-Line or one Multi-Line bundle on the customer's primary line.

FlatLine Bundle: Flat Rate Business Line, Caller ID, Call Waiting, Call Forwarding, Three Way Calling, Call Return

MultiLine Bundle: Business Hunting, Caller ID, Three Way Calling

Additional Line: Flat Rate Business Line, Caller ID

Additional Line: Business Hunting, Caller ID

Maximum monthly rate: up to \$200, per line (excluding EUCL, taxes and other mandatory fees) (C)

Nonrecurring charges apply.

Custom Biz SaverSM Flex (CBS Flex) is a suite of two packages for small and mid-sized business customers with one to ten Business Access Lines. Discounted flat rates are available using any combination of the two packages listed below.

Minimum offer requirements are to have one Flat-Rate bundle on the customer's primary line.

Flat Rate Bundle: Flat Rate Business Line where customer chooses up to five (5) of the above listed vertical features.

Additional Line: Flat rate business Line, Caller ID

Maximum monthly rate: up to \$200, per line (excluding EUCL, taxes and other mandatory fees) (C)

Nonrecurring charges apply.

Termination Fees: These bundles may be purchased in one, two or three year terms. Customers may add or subtract additional lines / bundles at any time during the term, subject to the minimum offer requirements above. Early termination fees will apply if the subscriber fails to maintain minimum offer requirements.

Taxes and fees may apply.

Unless renewed, at the end of the term, the customer's discounted rates will revert to monthly rates in effect at that time. Notification will be sent to the customer of the pending expiration 60 days prior to the term end date.

SECTION 3 - Services and Rates

BUSINESS SERVICE RATES (cont'd)**J. Business Customer Package Rates (cont'd)**Custom BizSaver IISM (CBS II)

Custom BizSaver II is an optional small business package offer that includes a network access line, touch tone, Caller ID, four customer selected Call Management Services and hunting (optional). Custom BizSaver II is available at flat monthly rates. Customers must select either a month-to-month package rate or a 12-month, 24-month or 36-month term. Other rates, terms and conditions are identical to those listed in the AT&T Texas Guidebook, Part 4, Section 5, which are incorporated herein by this reference.

Custom BizSaver II allows customers to subscribe to one to twenty lines at discounted rates at a given location. Customer must select a Custom BizSaver II package that includes Caller ID and the customer selected Call Management Services on their primary line to qualify for the Custom BizSaver II package rates.

Eligible customers have two additional line options available for lines 2 – 20:

CBS II Additional Line (ADL) Option 1 includes a network access line, touch tone, Caller ID and hunting (optional). Pay Per Use features are not eligible.

CBS II Additional Line (ADL) Option 2 includes a network access line, touch tone, Caller ID, hunting (optional) and a flexible bundle of four Call Management Services as described in the Selection List below. Pay Per Use features are not eligible.

Nonrecurring charges are waived to establish CBS II packages.

SECTION 3 - Services and Rates

BUSINESS SERVICE RATES (cont'd)

K. Service Connection Charges

The term "Service Charge" represents one of the following work functions necessary to perform a service connection, inside move or change for a business or residence class of service customer:

Service Ordering Charge – receiving, recording and processing information in connection with a customer request for service. One Service Ordering Charge is applicable per customer request, per due date, per account. However, when multiple service orders are required for AT&T Texas reasons, only one Service Ordering Charge applies. There are two types of service order charges:

- Primary - primary charges apply on New Connect (N), Change of Address (T) and Number Change (C) type order activity of the billing telephone number, or the bill on telephone number.
- Secondary - secondary charges apply on all other order activity.

Trip Charge - when it is necessary to travel to the customer's premises, one Trip Charge is applicable per customer request, per due date, per premises. When more than one trip to the customer's premises is necessary for AT&T Texas reasons, only one Trip Charge is applicable.

Central Office Access Charge – work associated with the line extending from the serving central office to the customer's premises. It includes, but is not limited to, central office connections, cable cross-connections, and connecting or moving the drop wire or protector block.
