**A3.7.4 Measured Rate Service<sup>1</sup>**

- A. Individual line measured rate service is available only in certain central offices of the exchanges shown herein. Measured rate service will not be offered where RegionServ is available with the exception of service provided to customer-provided public telephones (see A3.1.E.).

Measured rate service requires special equipment and arrangements and is furnished only when such equipment and arrangements are available.

The rates specified, with zone charges applicable to those services furnished outside the BRA of an exchange, entitle subscribers to a usage allowance for calls completed to stations in the local calling area, i.e., all stations bearing the designation of central offices of the serving exchange and additional exchanges as shown in A3.6, Local Calling Areas.

Charges for local usage in excess of the allowances are specified in A3.2.3, and are based on mechanized records kept of all calls originated on the line.

**A103.43.1 Plan Descriptions (Cont'd)**

- A. BellSouth Business Plus Service (Cont'd)
  - 5. Customers may subscribe to either the standalone BellSouth Business Plus service offering or to the BellSouth Business Choice Package (See A3.44) which includes a BellSouth Business Plus service line or to the BellSouth Complete Choice for Business Package (See A3.45) which includes a BellSouth Business Plus service line. All of the rules, regulations and limitations specified for each offering will apply to the respective services and features.
  - 6. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. The appropriate operator services surcharges will also be charged in accordance with the rules and conditions of A.3.14.
  - 7. BellSouth Business Plus service Option 2 customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail.

    - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer.
