Eligible customers are those with at least one local exchange access line or a substitute (e.g. wireless or VoIP service) with a provider other than the CLEC at a service location that can be served by the CLEC, and who request the qualifying service(s) at the same address as the existing service, unless they are planning an imminent move (within 30 (thirty) days) from one address to another in the incumbent local exchange service area. The customer must subscribe to and retain the CCB package on each line receiving a credit. If the customer discontinues the CCB package, the credits will cease.
