**A4.4 Dual Service**

**A4.4.1 General**

- A. Dual Service is a service offering which supplies the same dial tone concurrently to two different addresses served from the same wire center for a limited period of time for non-designed services only. The provision of Dual Service assures the customer continual service at both locations during the time of a move.
- B. A request for Dual Service occurs on orders for a transfer of service (T&F) within the same wire center where no number change is involved.
- C. Dual Service will be offered subject to the availability of facilities and technical limitations.
- D. Payment for Dual Service is provided for by billing the nonrecurring charge following, plus the applicable portion of the monthly rate on both lines during the period of service overlap, regardless of the duration of that overlap.
