A12.25.1 General

- A.** BellSouth Centrex service provides an arrangement of switching equipment and station lines for intercommunicating among the station lines and for connection through the local and long distance message network to other subscribers on a dial basis. BellSouth Centrex service is furnished from central office equipment located on Company premises and associated facilities arranged to provide the following basic service capabilities/features.
 - 1. Exchange and long distance message network calls may be made to station lines by dialing the number associated with that station line or attendant position.
 - 2. Exchange and long distance message network calls may be made from station lines via direct outward dialing.
 - 3. Station-to-station intercommunication via two to ten-digit dialing between station lines of the subscriber's system.
 - 4. Outgoing long distance message calls dialed by a station line will be identified by the seven-digit station number. Only calls billed to the subscriber by the Company will be provided this identification.
 - 5. Touch-Tone service.
 - 6. Common recorded announcement interception of calls to unassigned station numbers.
- B.** BellSouth Centrex service will be furnished to subscribers requesting one (1) or more station lines served by the same central office equipment.
- C.** A subscriber's system may be comprised of the following components:
 - Common Equipment
 - Station Lines
 - Network Access Registers
 - Optional Features
- D.** Access to the local and long distance message networks will be provided via Network Access Registers (NARs) at the rates and charges indicated in Section A3.

A12.25.2 Terms and Conditions

- A.** BellSouth Centrex service is furnished subject to the availability of facilities and features from central office equipment located in a central office building owned or leased by the Company. The service allows for normal station activity including incidental additions and deletions.
- B.** Each system established must consist of a minimum of the Common Equipment, one (1) station line and one (1) Network Access Register.
- C.** A station line will be comprised of the Standard Features and the associated Station Link, which include access to the serving central office equipment.
- D.** BellSouth Centrex service will not be offered in a manner which provides for intercommunication only.
- E.** Facilities may be used for direct connections between a subscriber's BellSouth Centrex service and other systems primarily for communication between stations of the two systems. Rates and charges for these connection facilities are specified in either Section A13 of this Guidebook or Section B3 of the Private Line Guidebook. Charges for access to Private Facilities as specified in A12.25.8.E. of this Guidebook are applicable. These facilities, connecting BellSouth Centrex service, may be arranged to provide completion of incoming or outgoing exchange and long distance message network through the subscriber's BellSouth Centrex service system to or from other systems, provided such connections to the exchange or long distance message network are only made one system at a time.
- F.** Station lines may require customer-provided compatible terminal equipment.
- G.** If the subscriber of BellSouth Centrex service elects a Measured Rate service, usage charges as specified in Section A3 are applicable on calls to locations outside the subscriber's system in addition to rates and charges in this and other sections for BellSouth Centrex service and other associated services. Usage charges are not applicable on calls originated and terminated within the same BellSouth Centrex service system, unless the system is equipped with Assumed Dial '9', in which case any appropriate usage charges will be applicable.

A12. CENTRAL OFFICE NON-TRANSPORT SERVICE OFFERINGS

A12.25 BellSouth Centrex Service (Cont'd)

A12.25.5 Conversions (Cont'd)

- B. Deletions, changes, additions, and rearrangements of a subscriber's station lines and/or features will be performed subsequent to conversion to BellSouth Centrex service as follows.
 - 1. Changes, additions, or rearrangements for station lines and/or optional features:
 - a. Nonrecurring charges from this section will apply.
 - b. Service charges from Section A4 will apply.
- C. Subscribers of BellSouth Centrex service, upon the conversion of the central office facilities from one switch type to another, must convert to corresponding switch type features.
 - 1. Conversion will be within thirty (30) days of the central office conversion.
 - 2. Nonrecurring charges from this section will not apply.
 - 3. Cancellation charges for original service will not apply.
 - 4. If subscriber had a Rate Stability Plan in effect, it will continue uninterrupted.
 - 5. Service charges from Section A4 will not apply.
 - 6. Changes, additions, or rearrangements:
 - a. Nonrecurring charges from this section will apply.
 - b. Service charges from Section A4 will apply.
- D. Conversions will not be allowed on suspended service.

A12.25.6 Payment Schedules

- A. General
 - 1. BellSouth Centrex service is offered at the rates and charges indicated in this section.
 - 2. The subscriber may choose from the Payment Plans and Rate Stability Plans as offered in this section.
 - 3. The rates applicable for the Common Equipment and Station Links must be under the same Payment Plan provided. However, as of April 1, 2025, upon expiration of the stabilization term of a Rate Stability Plan applicable to a subscriber:
 - a. The subscriber rates charged for Common Equipment will remain stabilized at the rate for the Payment Plan in effect at the expiration date of the Rate Stability Plan subject to the Company's right to modify the rate upon 30 days' notice.
 - b. The subscriber rate charged for Station Links will be the month-to-month rates for the Payment Plan in effect at the expiration date, subject to the Company's right to modify the rate upon 30 days' notice.
 - 4. The rates for the Common Equipment indicated in this section may be stabilized for 12^{1,2,3}, 24^{1,2,3}, 36^{1,2,3}, 48^{1,2,3}, or 60^{1,2,3} months, as selected by the subscriber, with a Rate Stability Plan under the terms and conditions in this section.
 - 5. Subscribers will have the BellSouth Centrex service Common Equipment rates indicated in this section stabilized for their chosen Payment Plan and Rate Stability Plan period. Stabilized rates will not be subject to Company initiated increases for the duration of the stabilized period. Rates for the Station Links, Standard Features, Optional Features, and other rate elements in this section associated with BellSouth Centrex service will not be increased for the Rate Stability Plan period associated with the Common Equipment. Decreases for any rate element will automatically flow through to all customers.
 - 6. Except as indicated in paragraph 5, the Common Equipment Payment Plan recurring rate will be applicable for the length of the Rate Stability Plan period subject to the Cancellation Charge indicated in paragraph C. Station Links, Standard Features, and Optional Features may be added or removed without the application of a Cancellation Charge.
 - 7. Subscribers may apply for rates developed and offered via a Contract Service Arrangement as specified in Section A5.

Note 1: Effective September 1, 2013, payment periods greater than 36 months are no longer available for new or renewing subscribers of BellSouth Centrex Service.

Note 2: Effective September 30, 2024, customers may not elect a Rate Stability Plan greater than 12 months for Bellsouth Centrex service, and existing term plans greater than 12 months may not be renewed or extended for a term greater than 12 months. The Company will renew Bellsouth Centrex Service payment plans only for additional 12-month terms by written amendment. If a 12-month term is not signed upon expiration of the term, the month-to-month rates listed in the Guidebook will apply.

Note 3: Effective April 1, 2025, customers may not elect a Rate Stability Plan of any length, and existing Rate Stability Plans of any length will not be renewed or extended. Upon expiration of any Rate Stability Plan, month-to-month rates will apply subject to the Company's right to modify such rates upon notice to customer.

C. Cancellation Charges

1. The following charges are incurred when a complete removal of a BellSouth Centrex service system occurs prior to the expiration of the Rate Stability Plan.
 - a. Cancellation charges will not apply for a 12 month Rate Stability Plan.
 - b. For a Rate Stability Plan of 24 months or greater, the subscriber's cancellation charge will be the total amount of the BellSouth Centrex service Common Equipment monthly rate committed to by the subscriber for the remaining months of his Payment Plan and Rate Stability Plan period.
2. For term plans entered into on or after April 3, 2001, a customer's liability for the termination of service prior to the time the customer's obligations under the term plan would have otherwise been satisfied are set forth in paragraph A2.4.10.E. For term plans entered into before April 3, 2001, the customer's obligations for the termination of service prior to the time the customer's obligations under the term plan would have otherwise been satisfied is governed by the terms of the service publication that was in effect as of the date the customer entered the term plan.
3. Cancellation charges may be applicable whether the disconnection occurs at the subscriber's request or at the instance of the Company.
4. Cancellation charges will not apply to Federal Income Tax-exempt organizations that use BellSouth Centrex service on a temporary basis for a period not to exceed three months. Cancellation charges will not apply to subscribers who are: (1) covered under the Unconditional Satisfaction Guarantee; (2) covered under a special promotion or waiver or (3) a Federal, State, or local government agency or a subdivision thereof for which funding is not available.

D. Additions

A BellSouth Centrex service subscriber may add station lines and/or any feature/capability to the existing system at any time during the period of service.

E. Disconnects

When a portion of a subscriber's BellSouth Centrex service is disconnected, the expiration date of the Common Equipment Rate Stability Plan will not be affected.

F. Transfer of Contract

Service may be transferred to a new subscriber at the same location upon prior written concurrence by the new subscriber as specified in Section A2.

G. Deferred Payment

Nonrecurring charges may be deferred as specified in Section A2, or extended under Installment Billing as specified in Section A4.

H. Prepayment

Recurring charges may be prepaid as specified in Section A2.

I. Service Migration and Early Termination Charges

If Customer migrates an AT&T Centrex Service or Service Component (referred to as the "Terminated ILEC Service") to a qualifying AT&T Business Voice over IP (BVoIP) Service (referred to as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided:

1. the Terminated ILEC Service has been installed at the Customer site for no fewer than 12 months;
2. the Term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service; and
3. the Replacement Service is installed at the same Customer sites as the Terminated ILEC Service.

It is at the Company's sole discretion whether a product change satisfies these requirements.

A12.25.7 Moves of Service

A. Moves of Service

1. A BellSouth Centrex service subscriber may move a system within the same jurisdiction (the locations in the state within which the Company is authorized to operate). Service may be moved within the same central office or to another central office. All offices may not have the same feature capabilities.
2. For complete moves within the same central office:
 - a. Cancellation charges will not apply.
 - b. Rate Stability Plan in effect will continue uninterrupted.

A12.25 BellSouth Centrex Service (Cont'd)

A12.25.11 Standard Features

A. General

1. The quantity of features offered as standard and optional will be dependent on the switch type.
2. The maximum number of features that can be provisioned on a station line is dependent on the serving central office.
3. All features are offered where facilities permit. This will be dependent on the serving central office.
4. Feature operation may vary based on the serving central office.
5. The operation of some features may make them incompatible with other features requested by the subscriber. Incompatible features will not be provisioned on a station line.
6. A list of the Standard Features is available for each switch type as indicated in A12.25.21. As additional features become available in each switch type and are offered by the Company with this service as Standard Features, those additional features will be added to the Standard Features lists. As features are no longer made available by the Company with this service, those features will be deleted from the Standard Features lists.
