STATE LIFELINE CRDT

The state of Tennessee has eliminated the state Lifeline credit of \$3.50 per month, effective May 25, 2013. Consistent with this change in state law, your AT&T Tennessee state Lifeline Credit will be removed effective on or soon after May 25, 2013. This action will not affect the Federal Lifeline credit of \$9.25, which you will continue to receive. If you have questions, please call the number on your bill.
