

OPTIONAL CALLING PLAN

A. General

This service is furnished under the guidelines contained in the General Regulations found in Part 9, Section 1. In addition, the following regulations apply.

1. Optional Calling Plan is an optional offering of Long Distance Message Telecommunications Service to residential and business local exchange customers whereby subscribing customers receive a discount on qualified long distance usage.
2. Qualified usage for this plan will be all intrastate intraLATA customer dialed station-to-station, sent-paid, non-coin minutes of use.

For Point-to-Point customer dialed station-to-station, sent-paid, non-coin minutes of use apply.

3. Optional Calling Plan is available to residence and business customers located in the State of Texas.

Optional Calling Plan is not offered in connection with Foreign Exchange, Foreign Serving Office or Pay Telephone Exchange Access Service.

4. Customers may subscribe to more than one Optional Calling Plan where the capability exists. Calls will be rated by only one pricing option. Calls applicable to more than one plan will be billed in the following sequence:

1st - Point-to-Point Option

2nd - Other Optional Calling Plan Option as described in paragraphs B.1 and B.2.

5. The minimum service period of subscription to a particular plan is 30 days per plan.

OPTIONAL CALLING PLAN (cont'd)**B. Descriptions**

1. Business Optional Calling Plans

- a. Business customers in the State of Texas will have the option of subscribing to one of six intraLATA long distance discount plans.

The Business Optional Calling Plan discounts will apply to qualified usage placed during all time periods, as follows:

Option (A) – Business^{/2/}

The basic monthly rate for this service will be \$18.40 per month. For the \$18.40 monthly rate the business customer who selects this option will receive a 10% discount on qualified usage. (l)

Option (B) – Business^{/2/}

The basic monthly rate for this service will be \$47.15 per month. For the \$47.15 monthly rate the business customer who selects this option will receive a 15% discount on qualified usage. (l)

Option (C) – Business^{/1/}

The basic monthly rate for this service will be \$118.45 per month. For the \$118.45 monthly rate the business customer who selects this option will receive a 20% discount on qualified usage. (l)

Option (D) – Business^{/2/}

The basic monthly rate for this service will be \$8.40 per month. For the \$8.40 monthly rate the business customer who selects this option will receive one hour of qualified usage. Additional minutes of qualified usage under this plan will be \$0.14 per minute.

Option (E) – Business

The basic monthly rate for this service will be \$0.00 per month. The business customer who selects this option will receive a 10% discount on qualified usage. Available only to customers subscribing to BizSaver packages as set forth in Part 20, Section 7. Available only to the Company's local exchange customers.

Option (F) – Business^{/2/}

The basic monthly rate for this service will be \$177.10 per line for each designated telephone number. For this \$177.10 monthly rate the customer who selects this option will receive unlimited calling to the designated number within the subscribing customer's LATA. (l)

Option (G) – Business^{/2/}

Single Rate Option: This option allows subscribers to pay a monthly recurring rate of \$18.98 and receive all of their usage for \$0.09 per minute. Time of day and holiday discounts are not applicable to the monthly rate or the per minute rate. This option is available to one (1) to five (5) line business customers at the same location who agree to commit to the service period of twelve (12) months. Customers who decide to discontinue the plan prior to the end of their term will be obligated to pay the monthly recurring charge for the remainder of the term.

/1/ This Option is obsolete for business customers, except for existing installations at existing locations for existing business customers who subscribed prior to September 30, 2011.

/2/ This Option is obsolete for business customers, except for existing installations at existing locations for existing business customers who subscribed prior to March 31, 2012.

OPTIONAL CALLING PLAN (cont'd)

B. Descriptions (cont'd)

2. Residence Optional Calling Plans

- a. Residential customers in the State of Texas will have the option of subscribing to one of five intraLATA long distance discount plans.

The residential Optional Calling Plan discounts will apply to qualified usage placed during all time periods.

Option (A) – Residence^{/1/}

The basic monthly rate for this service will be \$8.00 per month. For the \$8.00 monthly rate the residential customer who selects this option will receive a 15% discount on qualified usage.

Option (B) – Residence^{/1/}

The basic monthly rate for this service will be \$23.00 per month. For the \$23.00 monthly rate (l) the residential customer who selects this option will receive one hour of qualified usage. Additional minutes of qualified usage under this plan will be \$0.15 per minute.

Option (D) - Residence

The basic monthly rate for this service will be \$11.00 per month. This monthly rate includes (l) no usage. The residential customer purchasing this plan may make any amount of qualified usage at a price of \$0.10 per minute.

/1/ Option (A) and Option (B) for residence customers is obsolete as of November 15, 2004, except for existing residence customers at existing locations who subscribed prior to November 15, 2004.

OPTIONAL CALLING PLAN (cont'd)

C. Rates

1. Application of Rates and Discounts

- a. After a subscriber's monthly intraLATA long distance bill is determined, including applicable time of day discounts, an additional percent discount will be applied to the total qualified portion of the bill, as defined previously. When application of the discount results in a fractional charge, the amount will be rounded to the nearest cent.
- b. The Business Option D and Residence Option B rates are quoted in terms of a monthly rate per account, based on a minimum of one hour of usage, and an additional hourly rate which will be charged by the minute for usage exceeding one hour.
- c. Discounts apply to usage accumulated from all lines on a customer's account per class of service, per location.

2. Rates and Discounts
