COMPLETE CHOICE® ENHANCED (cont'd)

B. Regulations (cont'd)

11. Complete Choice Enhanced may be included in other packages and bundles that are marketed under other names. Complete Choice Enhanced may also be bundled with other additional services at a combined price that exceeds the Complete Choice Basic guidebook price.
12. Complete Choice Enhanced may be ordered on one or more access lines.
13. Complete Choice Enhanced is only available with flat rate 1-Party exchange access line service.
14. A nonrecurring charge will apply to the installation of Complete Choice Enhanced the first time a new or existing customer subscribes to the package, except that the nonrecurring Complete Choice Enhanced installation charge will not apply to existing customers who convert to Complete Choice Enhanced from Select Feature Package or Complete Choice® Basic. Payment of the Complete Choice Enhanced Installation charge ensures that no subsequent nonrecurring charges will apply if the customer de-selects or re-selects one or more features for as long as the customer maintains Complete Choice Enhanced on that line. If a customer disconnects Complete Choice Enhanced from a line, the Complete Choice Enhanced Installation charge would apply again to re-establish Complete Choice Enhanced on that line. The Complete Choice Enhanced Installation charge is a line-level charge. If the customer subscribes to Complete Choice Enhanced on any additional access line, the nonrecurring feature and package Installation charges will be assessed to each such line.
15. Standard non-recurring charges associated with ordering and/or installing the access line may apply.
