APPLICATION OF TARIFF

Southwestern Bell Telephone Company, hereinafter referred to as "the Company", is a Missouri corporation with its headquarters in Dallas, Texas that provides telecommunications common carrier services in Texas as well as Arkansas, Kansas, Missouri, and Oklahoma. Southwestern Bell Telephone Company does business in the state of Texas under the name "AT&T Texas," effective January 4, 2006. AT&T Texas adopts all tariff references in effect on that date under its prior name "SBC Texas" until such time as those tariff references are revised.

This tariff applies to intraLATA private line services furnished or made available by AT&T Texas for private line services furnished jointly with a connecting company, to the portion of such private line services furnished by AT&T Texas to the point of connection with the facilities of another company for which that company's rates and regulations apply, over facilities wholly within or partly within and partly without the State of Texas between two or more points, all of said points being within the State of Texas.

The rates and services provided in this tariff are regulated and approved by the Public Utility Commission of Texas (Commission) in compliance with the Public Utility Regulatory Act and the rules adopted by the Commission.

The schedules of rates and specific regulations are set forth in this tariff.

Whenever reference is made in this tariff to other intrastate Texas tariffs of AT&T Texas, the reference is to the tariffs in force as of the effective date of this tariff, and to amendments thereto and successive issues thereof.
